should be considered as part of the filing you are reading. Unless Edison International or the Companies states otherwise, this graph shall not be deemed to be incorporated by reference and shall not be considered soliciting material or otherwise be considered filed under the Securities Act or the Securities Exchange Act of 1934.

- (2) The historical stock performance depicted on the graph is not necessarily indicative of future performance. The Companies do not make or endorse any predictions as to future stock performance or dividend payments. The quarterly dividends customarily paid on January 31, April 30, July 31, and October 31 were not declared for 2001 and the quarterly dividends customarily paid on January 31 were not declared for 2002 by the Edison International Board. This proxy statement is not to be considered material for soliciting the sale of either Companies' stock.
- (3) In February 2000, Dow Jones launched a new U.S. Equity Index series which replaced all of its U.S. equity index series including the Dow Jones Electric Utilities Index previously used for this graph. The new series covers 95% of the U.S. equity market and replaces the previous series that covered 80% of the market. Additionally, the industry classification system was restructured. The net result of the restructuring is that all U.S. indices will show differences when compared to the indices used prior to 2000.
- (4) As of December 31, 2001.
- (5) Ex-dividend dates have been used to determine the number of dividends included in Edison International's cumulative total return calculation. The ex-dividend date occurs a few days prior to the record date for each dividend payment, and is the date on which the stock begins trading at a price that does not include the dividend. Edison International had three ex-dividend dates in 1999 even though shareholders received four dividend payments in that year. In 2000, there were four ex-dividend dates and four dividend payments. For purposes of calculating the adjusted cumulative total return presented in the table, four ex-dividend dates were used for each year starting in 1997 through 1999, and three ex-dividend dates were used in 2000. The adjusted calculation for 2000 includes only three ex-dividend dates. The Edison International Board did not declare the dividend customarily paid on January 31, 2001. As noted in footnote 1, there were no dividends declared by the Edison International Board for each of the four quarters ended December 31, 2001.

Adjusted Cumulative Total Return					
12/96	12/97	12/98	12/99	12/00	12/01
\$100.00	\$142.43	\$151.53	\$148.65	\$92.67	\$89.56

AUDIT COMMITTEES' REPORT(1)

The Edison International and SCE Audit Committees have certain duties and powers as described in their charters. In 2001, the SCE Audit Committee revised its charter which was approved by the SCE Board of Directors on December 13, 2001, and is attached to this Proxy Statement as Appendix A. The Edison International Audit Committee Charter approved by the Edison International Board on December 14, 2000, remained unchanged. The Audit Committees are currently composed of the same five non-employee directors named at the end of this report, who are independent as defined by the rules of the stock exchanges on which the Companies are listed.

Management is responsible for the Companies' internal controls and the financial reporting process, including the integrity and objectivity of the financial statements. The independent accountants are responsible for performing an independent audit of the Companies' financial statements in accordance with generally accepted auditing standards and to issue a report thereon. The Committees monitor and oversee these processes. The Committees' members are not accountants or auditors by profession and, therefore, have relied on the representations from management and the independent accountants about the carrying out of their respective responsibilities.

In connection with the December 31, 2001, financial statements, the Audit Committees:

- o reviewed and discussed the audited financial statements with Company management;
- o discussed with Arthur Andersen LLP, the Companies' independent public accountants for calendar year 2001, the matters required by Statement on Auditing Standards No. 61 (Communication with Audit Committees); and
- o received the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and discussed with Arthur Andersen its independence with respect to the Companies.

Based upon these reviews and discussions, the Edison International and SCE Audit Committees recommended to their respective Boards of Directors that the audited financial statements be included in the Edison International and SCE 2001 Annual Reports on Form 10-K to be filed with the SEC.

INDEPENDENT PUBLIC ACCOUNTANTS FOR 2002

The Audit Committees of the Boards of Directors have considered whether the provision of the non-audit services described above is compatible with maintaining Andersen's independence.

Representatives of Arthur Andersen are expected to attend the annual meeting to respond to any questions and to make a statement if they wish.
