Section 8—Other Events

Item 8.01. Other Events.

On September 4, 2012, Silgan Holdings Inc., or Silgan, issued a press release announcing that it had completed its previously announced acquisition of Rexam PLC's plastic thermoformed food business. The transaction was structured as a purchase of all of the outstanding stock of Rexam High Barrier Food Containers Inc., an indirect wholly owned subsidiary of Rexam PLC. The newly acquired operations will be reported as part of Silgan's plastic containers segment and will operate under the name Silgan Plastic Food Containers. The newly acquired operations manufacture and sell plastic thermoformed packaging solutions such as barrier and non-barrier bowls and trays for shelf-stable food products, with anticipated sales of approximately \$100 million in 2012.

The purchase price for the newly acquired operations (including preliminary post-closing adjustments) was \$248.1 million. The purchase price was funded from cash on hand. The purchase price is subject to post-closing adjustment for the net working capital of the newly acquired operations based on a target working capital.

A copy of the press release is furnished herewith and attached hereto as Exhibit 99.1.
