### ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

#### Executive Officer Compensation

On April 6, 2006, the Compensation Committee (the "Compensation Committee") of the Board of Directors of Ligand Pharmaceuticals Incorporated (the "Company") approved the annual base salaries (effective as of January 1, 2006 unless otherwise noted) of the Company's executive officers after a review of performance and competitive market data. The following table sets forth the new annual base salary levels of the Company's executive officers.

Name and Position	Base Salary
David E. Robinson	\$705,000 (effective May 1, 2006)
Andres F. Negro-Vilar	471,000
Taylor J. Crouch	321,000
James J. L'Italien	296,000
Paul V. Maier	347,000
William A. Pettit	279,000
Warner R. Broaddus	309,000
Eric S. Groves	252,000
Martin D. Meglasson	292,000
Tod G. Mertes	260,000

Also on April 6, 2006, the Compensation Committee authorized the payment of annual incentive (bonus) awards to each of the Company's executive officers for services during the year ended December 31, 2005. Consistent with past practice, the Compensation Committee used several factors to set the targets for these annual incentive awards, principally (1) competitive pay practices, (2) job duties and responsibility and (3) the Company's need to attract, retain and reward executive talent. The Compensation Committee used data obtained by the Company from external sources that compared and summarized pay practices at companies that compete with the Company nationally and in its business and location for executive talent. Actual annual incentive bonus payments were determined based on the Company's and each executive's performance during 2005 as measured against performance measures established for that year. In addition, the Compensation Committee evaluated each executive's performance against individual goals also set for 2005. The following table sets forth cash payments to the executive officers in respect of their annual incentive awards for 2005:

Name	2005 Bonus
David E. Robinson	\$150,000
Andres F. Negro-Vilar	125,000
Taylor J. Crouch	100,000
James J. L'Italien	59,000
Paul V. Maier	51,000
William A. Pettit	51,000
Warner R. Broaddus	58,000
Eric S. Groves	46,000
Martin D. Meglasson	61,000
Tod G. Mertes	48,000

#### Amendment to Management Bonus Plan

On April 7, 2006, the Compensation Committee approved an amendment to the

Company's Management Bonus Plan applicable to executives, including the executive officers of the Company. The amendment was made in order to maintain a Bonus Plan that is competitive with market compensation. Under the amendment, the maximum bonus payout applicable to executive officers, other than the Chief Executive Officer, under the plan was increased from 36% of base salary to 50% of base salary. The maximum bonus payout for the Chief Executive Officer was

established at 60% of base salary. Actual payouts are based on the Company's and each executive's performance during the fiscal year, as measured against performance measures established for that year. Company performance and individual performance are equally weighted in determining payouts.
