Item 1. Security and Issuer.

This statement relates to the shares of Common Stock (Common Stock) of Hawaiian Holdings, Inc. (the Company) and a warrant to purchase shares of Common Stock (the Warrant, together with the Common Stock, the Securities) of the Company. The Company's principal offices are

Edgar Filing: HAWAIIAN HOLDINGS INC - Form SC 13D/A

located at 3375 Koapaka Street, Suite G-350, Honolulu, Hawaii 96819.

Item 2. Identity and Background.

(a-c) This Amendment No. 6 to Schedule 13D is being filed by (i) RC Aviation, LLC, a Delaware limited liability company (RC Aviation), (ii) RC Aviation Management, LLC, a Delaware limited liability company (RC Management) and the managing member of RC Aviation, and (iii) Lawrence S. Hershfield, the controlling member of RC Management (Mr. Hershfield) and, together with RC Aviation and RC Management, the Reporting Persons). The principal business address of the Reporting Persons is located at 12275 El Camino Real, Suite 110, San Diego, California 92130. The principal business of RC Aviation is to acquire, manage, invest in, transfer, exchange and/or otherwise dispose of securities of the Company. The principal business of RC Management is to serve as the managing member of RC Aviation. The principal business of Mr. Hershfield is to manage various businesses, including, without limitation, RC Aviation and RC Management.

(d-e) None of the Reporting Persons has, during the last five years, (i) been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors), nor (ii) been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction, as a result of which such person was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

(f) The citizenship of RC Aviation and RC Management are as set forth above. The citizenship of Mr. Hershfield is the United States of America.

Item 3. Source and Amount of Funds or Other Consideration.

The Securities were obtained by the Reporting Persons in consideration for the exchange of certain bankruptcy-related claims for defaulted aircraft lease contracts held by the Reporting Persons against the Company's subsidiary, Hawaiian Airlines, Inc. (Subsidiary), as further described in Item 4 below. The claims were purchased by RC Aviation from its working capital. A portion of the Securities were also acquired from the Reporting Persons' personal funds.

Item 4. Purpose of Transaction.

RC Aviation was formed for the purpose of acquiring an equity interest in the Company in order to obtain the opportunity to profit from an investment in the Company and the Subsidiary, and to have a significant influence on the Subsidiary's plan of reorganization in the Subsidiary's bankruptcy proceeding, and on the direction and management of the Company and the Subsidiary after confirmation of the Subsidiary's plan of reorganization in such bankruptcy proceeding. The Securities beneficially held by the Reporting Persons were acquired in a series of transactions as further described below:

(a) On June 11, 2004, RC Aviation entered into a Stock Purchase Agreement that provided for the private sale of 10,000,000 shares of Common Stock held by AIP, LLC (AIP) to RC Aviation.

(b) On June 1, 2005, the Company and RC Aviation agreed to the terms of a \$60 million bridge financing in the form of the sale of promissory notes by the Company to RC Aviation, which included the grant of the Warrant to RC Aviation in exchange therefor. The Warrant is exercisable for 6,856,000 shares of Common Stock at \$7.20 per share. The Warrant expires June 1, 2010. Pursuant to a series of redemptions occurring between October 19, 2005 and April 21, 2006, the Company redeemed the above-referenced promissory notes, as well as a corresponding portion of the Warrant from the members of RC Aviation, which redemptions were consented to by RC Aviation. After giving effect to the redemption of a portion of the Warrant, the Warrant now entitles RC Aviation to purchase 5,973,384 shares of Common Stock (a decrease from the 6,856,000 shares of Common Stock that were originally exercisable prior to the redemptions described herein). The foregoing description of the Warrant is qualified in its entirety by reference to such document, the form of which was filed as [Exhibit 5](#) to the Schedule 13D (Amendment No. 1) filed by the Reporting Persons with the SEC on June 21, 2005.

Edgar Filing: HAWAIIAN HOLDINGS INC - Form SC 13D/A

(c) In June 2005, RC Aviation, RC Management and Mr. Hershfield acquired beneficial ownership of 1,402,121, 1,504,782 and 1,504,782 additional shares, respectively, of the Company's Common Stock pursuant to the terms of the Subsidiary's plan of reorganization. Under this plan, the Reporting Persons, as holders of certain claims relating to the defaulted aircraft leases, received distributions in exchange for their allowed claims in an amount of cash equal to 50% of the allowed claim and an amount of the Company's Common Stock equal to 50% of the allowed claim based on a stock value of \$6.16 per share of Common Stock.

(d) Following the effectiveness of the Company's Registration Statement on Form S-3 (the "Registration Statement"), on May 3, 2006, as required by the terms of RC Aviation's Second Amended and Restated Limited Liability Company Operating Agreement (the "Operating Agreement") and that certain letter agreement, dated November 2, 2005, entered into between RC Aviation and certain of its members (the "Letter Agreement"), RC Aviation distributed the Warrant to its members. In addition, on May 8, 2006, as required by the terms of the Operating Agreement and the Letter Agreement, RC Aviation distributed 6,848,948 shares of Common Stock to its members, retaining 3,151,052 shares of Common Stock from the 10,000,000 shares of Common Stock initially acquired from AIP. As the managing member of RC Aviation, RC Management received its pro rata portion of the Warrant, which equaled a warrant to purchase 758,158 shares of the Company's Common Stock. RC Management also received 1,105,882 shares of Common Stock pursuant to the distribution on May 8, 2006.

(e) On June 2, 2006, RC Aviation distributed 1,486,346 shares of Common Stock to certain of its members, retaining 1,664,706 shares of Common Stock from the 3,151,052 shares of Common Stock previously held by RC Aviation and initially acquired from AIP. Combined with the 1,402,121 shares of Common Stock also held by it, RC Aviation beneficially owned 3,066,827 shares of Common Stock.

(f) On April 9, 2007, Mr. Hershfield acquired 25,000 shares of Common Stock in a series of open market transactions.

(g) On May 7, 2008, RC Aviation distributed 3,066,827 shares of Common Stock and RC Management distributed 505,536 shares of Common Stock to the members of RC Aviation pursuant to the Operating Agreement, which requires RC Aviation to perform such a distribution within five (5) years of the effective date of the same. Following this distribution, RC Management intends to dissolve RC Aviation. As a result of the distribution by RC Aviation, RC Management received a distribution of 860,560 shares of Common Stock from RC Aviation as a member thereof. As of May 7, 2008, RC Aviation holds no shares of Common Stock and RC Management holds 2,321,725 shares of Common Stock, which includes a warrant to purchase 758,158 shares of Common Stock.

(h) On May 20, 2008, the Company issued to Mr. Hershfield 10,000 Deferred Stock Units, which vest at the rate of 33 1/3% per year beginning on the first anniversary of the date of grant (the "May 2008 Issuance"). The shares of Common Stock underlying the Deferred Stock Units are distributable at any time within 90 days of the date on which such Deferred Stock Units become fully vested.

Other than as set forth above in this Amendment No. 6 to Schedule 13D, none of the Reporting Persons has any existing plan or proposal which relates to or would result in any of the matters enumerated in clauses (a) through (j), inclusive of Item 4 of Schedule 13D. However, the Reporting Persons may in the future engage in and may plan for their engagement in: (a) the acquisition by any person of additional securities of the Company or the disposition of securities of the Company; (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Company or any of its subsidiaries; (c) a sale or transfer of a material amount of assets of the Company or any of its subsidiaries; (d) any change in the present board of directors or management of the Company, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board; (e) any material change in the present capitalization or dividend policy of the Company; (f) any other material change in the Company's business or corporate structure; (g) changes in the Company's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition or control of the Company by any person; (h) causing a class of securities of the Company to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association; (i) a class of equity securities of the Company becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Act; or (j) any action similar to any of those enumerated above.

Any future decision of the Reporting Persons to take any such actions with respect to the Company or the Subsidiary or their respective securities will take into account various factors, including the prospects of the Company and Subsidiary, general market and economic conditions and other factors deemed relevant.

Item 5. Interest in Securities of the Issuer.

Edgar Filing: HAWAIIAN HOLDINGS INC - Form SC 13D/A

(a) As of the date hereof, RC Aviation has distributed 3,066,827 shares of Common Stock to its members, constituting all of its shares of Common Stock of the Company, and will dissolve pursuant to the requirements of its Operating Agreement.

As of the date hereof, RC Management could be deemed the beneficial owner of 2,321,725 shares of Common Stock of the Company, constituting 4.83% of the Company's Common Stock (see *Calculating the Percentage Ownership* below). As part of the number of shares indicated above as being beneficially owned by RC Management, the total includes: (i) 860,560 shares of Common Stock received from RC Aviation pursuant to the May 7, 2008 distribution; (ii) 758,158 shares of Common Stock that are exercisable on June 1, 2006 pursuant to the Warrant; and (iii) 703,007 shares of Common Stock acquired from the conversion of certain bankruptcy claims against the Subsidiary.

As of the date hereof, Mr. Hershfield could be deemed the beneficial owner of 2,515,058 shares of Common Stock of the Company, constituting 5.22% of the Company's Common Stock (see *Calculating the Percentage Ownership* below). As part of the number of shares indicated above as being beneficially owned by Mr. Hershfield, the total includes: (i) 860,560 shares of Common Stock beneficially held through RC Management and received from RC Aviation pursuant to the May 7, 2008 distribution; (ii) 758,158 shares of Common Stock beneficially held through RC Management and that are exercisable on June 1, 2006 pursuant to the Warrant; (iii) 703,007 shares of Common Stock beneficially held through RC Management and acquired from the conversion of certain bankruptcy claims against the Subsidiary; (iv) 65,000 shares of Common Stock held directly in Mr. Hershfield's capacity as an individual; (v) 100,000 shares of Common Stock which are currently exercisable pursuant to an option granted to Mr. Hershfield by the Company on December 19, 2005 (the December 2005 Option); (vi) 13,333 shares of Common Stock which are exercisable within sixty days of the date hereof pursuant to an option to purchase 20,000 shares of Common Stock granted to Mr. Hershfield by the Company on August 10, 2005 (the August 2005 Option); (vii) 10,000 shares of Common Stock which are exercisable within sixty days of the date hereof pursuant to an option to purchase 15,000 shares of Common Stock granted to Mr. Hershfield by the Company on May 31, 2006 (the May 2006 Option); and (viii) 5,000 shares of Common Stock which are exercisable within sixty days of the date hereof pursuant to an option to purchase 15,000 shares of Common Stock granted to Mr. Hershfield by the Company on May 31, 2007 (the May 2007 Option). The May 2008 Issuance described in Item 4(h) above is not included in the calculation of the shares of Common Stock of the Company held beneficially by Mr. Hershfield because the Deferred Stock Units issued thereunder do not vest within 60 days hereof.

Calculating the Percentage Ownership: (i) The percentage calculated above for RC Management is based upon 48,062,828 shares of Common Stock of the Company, which number represents (A) 47,304,670 shares of Common Stock issued and outstanding as of May 6, 2008, as set forth in the Company's Quarterly Report on Form 10-Q for the period ended March 31, 2008 (the Form 10-Q), plus (B) 758,158 shares of Common Stock issuable on June 1, 2006 upon exercise of the Warrant; and (ii) the percentage calculated above for Mr. Hershfield is based upon 48,191,161 shares of Common Stock of the Company, which number represents (A) 47,304,670 shares of Common Stock issued and outstanding as of May 6, 2008, as set forth in the Company's Form 10-Q, plus (B) 758,158 shares of Common Stock issuable on June 1, 2006 upon exercise of the Warrant, plus (C) 100,000 shares of Common Stock currently issuable upon exercise of the December 2005 Option, plus (D) 13,333 shares of Common Stock currently issuable upon exercise of the August 2005 Option, plus (E) 10,000 shares of Common Stock currently issuable upon exercise of the May 2006 Option, plus (F) 5,000 shares of Common Stock currently issuable upon exercise of the May 2007 Option.

(b) RC Aviation does not have any sole or shared power to vote or to direct the vote, or to dispose or direct the disposition of any shares of Common Stock.

Each of RC Management and Mr. Hershfield has the sole power to vote or direct the vote of 2,321,725 shares of Common Stock of the Company, except that Mr. Hershfield has the sole power to vote or direct the vote of an additional 65,000 shares of Common Stock held directly in his capacity as an individual, as well as 128,333 shares of Common Stock currently issuable to him pursuant to each of the August 2005 Option, the December 2005 Option, the May 2006 Option and the May 2007 Option.

(c) There were no transactions in the Common Stock by the Reporting Persons during the prior sixty days, other than the transactions described herein.

(d) As of the date hereof, and except as set forth above, the Reporting Persons no longer hold any interest in the shares of Common Stock of the Company held by AIP.

Edgar Filing: HAWAIIAN HOLDINGS INC - Form SC 13D/A

(e) RC Aviation ceased to be the beneficial owner of more than five percent of the Common Stock of the Company upon its disposition of 3,066,827 shares of Common Stock, constituting all of its shares of Common Stock of the Company, which occurred on May 7, 2008.

RC Management ceased to be the beneficial owner of more than five percent of the Common Stock of the Company upon the disposition of 3,066,827 shares of Common Stock of the Company held by RC Aviation and the disposition by RC Management of 505,536 shares of Common Stock of the Company, both of which occurred on May 7, 2008.

The filing of this Amendment No. 6 to Schedule 13D shall not be construed as an admission that any of the Reporting Persons is, for purposes of Section 13(d) of the Securities Exchange Act of 1934, as amended, or for any other purpose, the beneficial owner of any of the Common Stock referred to herein other than shares directly held in the name of such Reporting Person. As such, the Reporting Persons specifically disclaim beneficial ownership in the Common Stock reported herein, except to the extent that they may have a direct pecuniary interest in such Common Stock.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

The Operating Agreement of RC Aviation, LLC was entered into by and among RC Aviation and the members thereto in connection with RC Aviation's purchase of the Company's Securities. Pursuant to the Operating Agreement, RC Management is vested with the exclusive right and authority to manage and control the business of RC Aviation, subject to member approval of certain major transactions. The Operating Agreement provides that RC Management may only be removed as the managing member of RC Aviation for fraud, willful neglect, or gross or reckless misconduct which, in each case, causes material harm to RC Aviation.

CUSIP No. 419879101

13D

Page 8 of 9 Pages

The Operating Agreement obligates RC Aviation to distribute ninety percent of the Securities to its members on a pro rata basis as soon as practicable following the date upon which the plan of reorganization of the Subsidiary shall have become effective and final (and all conditions subsequent thereto have been satisfied). In addition, the Letter Agreement provides that certain of the members of RC Aviation agreed to defer their right to receive Securities under the Operating Agreement until the earlier of (a) the date that such Securities are registered by the Company under the Registration Statement filed with the SEC; and (b) January 31, 2006.

Moreover, the Operating Agreement obligates RC Aviation to make final distributions within five years of the effective date of the Operating Agreement. As a result, RC Aviation distributed all of the shares of Common Stock held by it on May 7, 2008.

As described above, following the effectiveness of the Company's Registration Statement, RC Aviation has engaged in a series of distributions of Common Stock to its members. The foregoing descriptions of the Operating Agreement and Letter Agreement are qualified in their entirety by reference to such documents, the forms of which were filed as Exhibits 1 and 2 to the Schedule 13D (Amendment No. 2), filed by the Reporting Persons with the SEC on December 12, 2005.
