PART I - INFORMATION SENT TO SECURITY HOLDERS

ITEM 1. HOME JURISDICTION DOCUMENTS

(a) Not applicable.

(b) Not applicable.

ITEM 2. INFORMATIONAL LEGENDS

This rights offering is made for the securities of a foreign company. The offer is subject to the disclosure requirements of a foreign country that are different from those of the United States. Financial statements included in the document, if any, have been prepared in accordance with foreign accounting standards that may not be comparable to the financial statements of United States companies.

It may be difficult to enforce your rights and any claim you may have arising under the federal securities laws, since the issuer is located in a foreign country, and some or all of its officers and directors may be residents of a foreign country. You may not be able to sue the foreign company or its officers or directors in a foreign court for violations of the U.S. securities laws. It might be difficult to compel a foreign company and its affiliates to subject themselves to a U.S. court's judgment.
