No borrowed funds were used to purchase the Shares, other than any borrowed funds used for working capital purposes in the ordinary course of business.

Item
4. Purpose of Transaction.

The Shares held by the Reporting Persons were acquired for investment purposes in the ordinary course of the Reporting Persons' investment activities because they believe the Shares represent an attractive investment opportunity.

On November 19, 2015, the Reporting Persons agreed to purchase 3,583,000 Shares pursuant to the terms of a privately-negotiated agreement between the Reporting Persons and other shareholders of the Issuer. As a result of the transaction, the Reporting Persons are currently the largest shareholders of the Issuer.

The Reporting Persons believe that the Shares are significantly undervalued. As of the date of this filing, the Issuer's shares are down approximately 68% in 2015, while the Market Vectors Oil Services ETF (OIH) is down approximately 13% over the same period of time. The Reporting Persons believe that the decline in the stock price of the Shares is related to (i) the depressed energy sector, (ii) underperformance of microcap stocks versus large cap stocks, and (iii) significant insider selling from the former Chairman and CEO of the Issuer.

The Reporting Persons believe that the Issuer's management has done an admirable job in navigating the weak oil environment. During the trailing 12-month period (ending 3rd quarter 2015), revenues have declined approximately 9.4%, while EBITDA (proxy for cash flow) has increased 11%.

In the future, the Reporting Persons plan to provide their input and provide the board of directors and management of the Issuer with advice on (i) merger and acquisition opportunities, (ii) additions to the Issuer's board of directors, (iii) the hiring of senior management, (iv) executive compensation, and (v) other proposals to maximize shareholder value on a per Share basis.

While the Reporting Persons were pleased at the opportunity to purchase the Shares at what they believe was a distressed price, the Reporting Persons look forward to future quarters as the Issuer continues to execute on its growth plan.

Except as otherwise set forth herein, the Reporting Persons do not have any present plans or proposals which would relate to, or result in, the matters set forth in subparagraphs (a) – (j) of Item 4 of Schedule 13D.

The Reporting Persons reserve the right, at a later date, to effect one or more of such changes or transactions in the number of Shares they may be deemed to beneficially own.
