Item 7. Financial Statements, Pro Forma Financial Information and

Exhibits.

(c) Exhibits

99.a Press Release issued by ONEOK, Inc. dated
November 30, 2001

Item 9. Other Events.

On November 30, 2001, ONEOK, Inc. announced that its net exposure to Enron based on New York Mercantile Exchange (NYMEX) futures prices at the close of business on Thursday, November 29, 2001, is less than \$40 million pre-tax. ONEOK continues to pursue ways to mitigate this exposure, however, should Enron fail to perform its obligations, ONEOK's current net delivered physical commodity exposure is estimated to be less than four million dollars. The financial exposure due primarily to storage management and natural gas production are approximately \$36 million. If Enron performs its current obligations, the total exposure would drop to less than two million dollars pre-tax after January 4, 2002. There are no amounts past due from Enron at this time.
