As previously disclosed, Carver Bancorp, Inc. (the "Company") and its auditor, BDO USA, LLP, are reviewing the reconciliation of certain general ledger accounts and the potential impact on the Company's current and previously issued financial statements. The Company has been working diligently to file its Annual Report on Form 10-K for the period ended March 31, 2017. Upon filing the Form 10-K for the period ended March 31, 2017, the Company will file its Form 10-Q for the period ended June 30, 2017 as soon as practicable, but does not expect that it will be filed timely as prescribed on or before the fifth calendar day following the required filing date as prescribed by Rule 12b-25(b) because the Company requires additional time to finalize its audited financial statements.

Although no assurance can be given as to when such audit work can be completed, the Company intends to become current in its financial reporting obligations under the Securities Exchange Act of 1934 as soon as practicable.
