This proxy statement and the attached form of proxy are first provided to

Edgar Filing: ALTERNATE MARKETING NETWORKS INC - Form DEF 14A

stockholders on or about April 8, 2003 by the board of directors of Alternate Marketing Networks, Inc. in connection with the solicitation by the Company by use of the mails only of proxies for use at the annual meeting of stockholders to be held on Thursday, May 8, 2003 at 11:00 a.m. Central Time at 13155 Noel Road, 10th Floor, Dallas, Texas 75240, and at any postponement or adjournment of the meeting, for the purposes and in connection with the matters to be acted upon set forth in the preceding ANotice of Annual Meeting of Stockholders.@ We are not currently aware of any other matters which will come before the meeting. The cost of solicitation has been or will be borne directly by the Company.

A copy of the annual report on Form 10-KSB of the Company for the fiscal year ended December 31, 2002 is enclosed for your information. It is not a part of the proxy solicitation material. The report describes the financial condition of the Company as of December 31, 2002.

We have asked brokerage houses and other custodians, nominees and fiduciaries to send proxies and proxy material to the beneficial owners of our common stock and we will reimburse them for their expenses in so doing. To ensure adequate representation of shares at the meeting, our officers, agents and employees may communicate with stockholders, banks, brokerage houses and others by telephone, facsimile, or in person to request that proxies be furnished.

Voting Securities

9,895,878 shares of common stock are outstanding and entitled to be voted at the annual meeting. Each holder of outstanding shares of common stock is entitled to one vote per share held as of the record date. The record date, with respect to this solicitation, is March 24, 2003. No persons solicited have any cumulative voting rights.

Voting Procedures and Vote Required

The presence at the annual meeting in person or by proxy of the holders of a majority of the outstanding shares of our common stock entitled to vote constitutes a quorum for the transaction of business. All matters listed in the Notice of Annual Meeting of Stockholders (except election of directors, which is by plurality vote) require the affirmative vote of a majority of the shares present at the annual meeting either in person or by proxy, and entitled to vote on that matter.

How to Vote

By signing and returning the enclosed proxy card, you will be giving your proxy to the Board and authorizing the Board to vote your shares.

How Your Proxy Will Be Voted

Unless revoked, all properly executed proxies will be voted as specified. Proxies that are signed but that lack any specification will be voted FOR each nominee and FOR each other proposal described in this proxy statement. If any other matters properly come before the annual meeting, or if any of the persons named to serve as directors should decline or be unable to serve, the persons named in the proxy will vote in accordance with their discretion.

Revocability of Proxy

You have the power to revoke your proxy at any time before convening of

Edgar Filing: ALTERNATE MARKETING NETWORKS INC - Form DEF 14A

the annual meeting. Revocations of proxy will be honored if received by us, at the Company, addressed to the attention of Adil Khan, Chief Executive Officer, on or before April 30, 2003. In addition, on the day of the meeting, prior to the convening thereof, revocations may be delivered to the tellers who will be seated at the door of the meeting room.

No Dissenters= Right of Appraisal

The stockholders of the Company are not entitled to any rights of appraisal or similar rights of dissenters with respect to any matter to be acted upon or contemplated by this proxy statement.

Abstentions

If you abstain from voting as to any matter, your shares shall be deemed present at the meeting for purposes of determining a quorum and for purposes of calculating the vote with respect to such matter, but shall not be deemed to have been voted in favor of such matter. Abstentions, therefore, as to any proposal will have the same effect as votes against such proposal.

Broker Non-Votes

If a broker turns in a Anon-vote@ proxy, indicating a lack of voting instruction by the beneficial holder of the shares and a lack of discretionary authority on the part of the broker to vote on a particular matter, then the shares covered by such non-vote proxy will be considered present at the meeting for purposes of determining a quorum but will not be considered to be represented at the meeting for purposes of calculating the vote required for approval of such matter.

On October 30, 2002, Hencie.com, Inc., a Delaware corporation, and Paul A. Tanner initiated a legal proceeding in the County Court of Dallas County, Texas against Hencie Consulting, a wholly-owned subsidiary of Hencie, certain current and former employees of Hencie Consulting, including Adil Khan, and certain other parties, including Hencie International. Hencie.com and Mr. Tanner are seeking approximately \$2.0 million, exemplary damages, interest, and legal fees in connection with claims regarding an alleged equity investment in Hencie Consulting prior to the acquisition of Hencie by the Company. On February 18, 2003, the Company executed a Mutual Release Agreement with Adil Khan, the company's CEO, which provides for Adil Khan to contribute up to 200,000 shares of common stock to the Company if the Company requests the shares so transferred to be used for any settlement of this litigation. The Company intends to vigorously defend against and contest the claims and pursue any potential counterclaims that may be available to Hencie Consulting.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Effective as of January 1, 2003, K2 VC LTD., a Texas limited partnership and an affiliate of Adil Khan, the Chief Executive Officer of the Company, contributed 1,474,039 shares, par value \$0.01 per share, of common stock of the Company to the Company pursuant to that certain Contribution Agreement, effective as of January 1, 2003, by and between the Company and K2 VC. Mr. Khan may be deemed to be an indirect beneficial owner of such shares and exercises indirect voting power over such shares as the Co-Managing Member of K2 VC Management, LLC, a Texas limited liability company and the sole general partner of K2 VC.

On February 18, 2003, the Company granted to Mr. Khan a non-qualified stock option to purchase up to 1,700,000 shares of common stock at an exercise price of \$0.50 per share with vesting of 25% per year over the next four years pursuant to and in accordance with that certain Non-Qualified Stock Option Agreement, dated February 18, 2003, by and between the Company and Mr. Khan.

Edgar Filing: ALTERNATE MARKETING NETWORKS INC - Form DEF 14A

On February 18, 2003, the Company also released K2 VC and Mr. Khan from indemnification obligations owed by Mr. Khan to the Company, in exchange for the option to use 200,000 shares of common stock owned by K2 VC to settle certain pending claims against the Company pursuant to and in accordance with that certain Mutual Release Agreement, dated February 18, 2003, by and among the Company, K2 VC, and Mr. Khan.

On February 18, 2003, the Company entered into that certain Release Agreement, dated February 18, 2003, by and among the Company, Hencie, Hencie Consulting, K2 VC, Mr. Khan, Drawbridge Investment Partners, LLC, who was the largest creditor of Hencie and Hencie Consulting, and certain directors and stockholders of the Company, to eliminate approximately \$1,000,000 in debt of the Company in exchange for \$120,000, 2,474,309 shares of common stock, and registration rights for the registration of the 2,474,309 shares of common stock.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors, officers and beneficial owners of more than 10% of our common stock to report beneficial ownership and changes in beneficial ownership with the Commission. Based solely upon a review of Forms 3, 4 and 5 and amendments thereto furnished to the Company, we believe that all these persons filed the reports required by Section 16(a) of the Exchange Act with the Commission on a timely basis during fiscal year 2002.

COMPENSATION OF DIRECTORS

It is the general policy of the Board that compensation for independent directors should be a mix of cash and equity-based compensation. Employee

Edgar Filing: ALTERNATE MARKETING NETWORKS INC - Form DEF 14A

directors are not paid for Board service in addition to their regular employee compensation. Independent directors may not receive consulting, advisory or other compensatory fees from the Company in addition to their Board compensation.

In 2002, each independent director was paid for out-of-pocket expenses for each regular Board meeting.

Although the Company has historically granted stock options to independent directors, the Company did not grant any stock options to any independent directors in 2002.

In February 2003, the Compensation Committee and the Board reviewed and revised the Board's cash compensation. Starting with 2003, independent directors are now paid a retainer of \$10,000 per year, with a possible additional \$1,500 per day for committee projects.

The Compensation Committee and the Board also decided to review its use of annual stock option grants to directors, which are typically granted in connection with the election of directors. The Compensation Committee and management are engaged in a strategic review of executive compensation, including the use of stock options and the possible use of other equity-related incentives such as "restricted stock" grants. The use of stock options and other equity-related incentives for the Board will similarly be reviewed, with the expectation that changes in Board compensation practices with regard to equity-related incentives will be considered, if appropriate, to keep them aligned with future changes in executive compensation practices.

EMPLOYMENT CONTRACTS AND TERMINATION OF EMPLOYMENT AND CHANGE-IN-CONTROL ARRANGEMENTS

The Company entered into an employment agreement with Adil Khan effective August 1, 2002, to serve as Vice Chairman of the board of directors and Chief Executive Officer of the Company at a base salary of \$177,000 for the first year, \$193,000 for the second year and \$206,600 for the third year. Mr. Khan's salary is subject to annual review by the Compensation Committee. The term of the Agreement is for a period of three (3) years. In accordance with the terms of the Agreement, Mr. Khan is also entitled to an annual bonus payment in the discretion of the Compensation Committee. The Agreement also provides for disability and life insurance and standard employee benefits consistent with established benefit plans of the Company (including retirement plans, life insurance plans, medical plans and dental plans). In addition to the standard benefits provided by the Company, the Company has agreed to provide Adil Khan with a term life insurance policy in the face amount of \$2,000,000 (\$1,000,000 for the benefit of the Company and \$1,000,000 for the benefit of Mr. Khan's designated beneficiaries). The Agreement is terminable by the Company in the event Mr. Khan becomes disabled or for Acause@, including (i) commission of an act of material fraud, misappropriation, or dishonesty or other material willful act of similar magnitude against the best interests of the Company, (ii) intentional material falsification of a written document delivered to the Company, or on behalf of the Company, (iii) habitual insobriety, (iv) addiction to non-prescription drugs, or (v) continued gross malfeasance in connection with Mr. Khan's duties for 30 days after written notice describing such gross malfeasance. In addition, Mr. Khan may terminate the Agreement within 12 months of a change of control (including any merger, consolidation, sale of substantially all of the assets of the Company, dissolution or liquidation of the Company, and similar events). If Mr. Khan is terminated on account of a breach by the Company, Mr. Khan is entitled to a severance payment equal to two times the amount of Mr. Khan's annual base salary as of the date of termination plus the annual average bonus paid to Mr.

Edgar Filing: ALTERNATE MARKETING NETWORKS INC - Form DEF 14A

Khan in the most recent two years (or such shorter period as such bonus shall have actually been paid).

The Company entered into a second addendum to the employment agreement of Phillip D. Miller to serve as Chairman of the Board of the board of directors of the Company and as President of Alternate Postal Direct, Inc. and National Home Delivery, Inc., wholly-owned subsidiaries of the Company (the ASubsidiary Companies@). Mr. Miller=s base salary is \$195,000 per year, with annual increases equal to the then existing salary multiplied by the average increase in the cost of living index published by the United States Department of Labor for the 12 month period preceding such date. Mr. Miller is also entitled to bonuses up to 30% of his base salary based on attainment of performance criteria specified by the Compensation Committee of the Company. Mr. Miller will serve as President of the Subsidiary Companies (which term will automatically renew for successive one year periods until the Company gives Mr. Miller 6 months written notice of non-renewal prior to the end of any applicable term) through December 31, 2002, as Chairman of the board of directors of the Company through June 30, 2003, and will serve on the board of directors of the Company through June 30, 2005. The agreement is terminable without an expressed reason by either Mr. Miller or the Company by giving three months prior written notice. In addition, the Company may terminate the agreement effective immediately for Acause@, including neglect of duty, malfeasance or continued failure to perform specified duties within 30 days after having received a written warning. If the agreement is terminated by the Company without an expressed reason, the Company is required to pay Mr. Miller, as severance, within 60 days of the effective termination date, an amount equal to 12 month=s base salary at the salary rate then in effect, plus accrued bonuses, if any. In the event of termination of the agreement by Mr. Miller, the Company is required to pay salary accrued through the date of termination, excluding any accrued bonuses. The agreement further provides that Mr. Miller shall not, directly or indirectly, for a period of two years after termination (or one year if terminated by the Company without cause), engage in any similar business, solicit customers of the Company, or solicit employees of the Company in competition with the Company in the United States. The agreement also provides for disability and life insurance at the Company=s expense. The Company also agrees to pay for the cost of dependent coverage included in the Company=s group health insurance plan.

The Company entered into a first addendum to the employment agreement of Sandra J. Smith to serve as the Controller of the Company, the Chief Financial Officer of each of the Company=s subsidiaries, and as Vice President-Operations of Alternate Postal Direct, Inc. Ms. Smith=s agreement provides for a term expiring in December 2003 at a base salary of \$110,000 per year, with an annual increase equal to the then-existing salary multiplied by the average monthly increase in the cost of living index published by the United States Department of Labor for the 12-month period preceding each anniversary date. The agreement is terminable without an expressed reason by the Company provided that it pay salary and benefits for the unexpired portion of the term. In addition, the Company may terminate the agreement effective immediately for Acause@. The agreement further provides that Ms. Smith shall not, directly or indirectly, for a period of one year after termination, directly or indirectly, engage or be employed by, any business or entity that is in competition with the Company, without the prior written consent of the Company=s CEO.

Mr. Bender is employed pursuant to an employment agreement dated May 8, 2000 that provides for a base salary and employee benefits. Mr. Warren is employed pursuant to an employment agreement dated November 15, 2001 that provides for a base salary, employee benefits, and up to six month's salary upon a change in control. Stock options to purchase shares of common stock of

Edgar Filing: ALTERNATE MARKETING NETWORKS INC - Form DEF 14A

Hencie were granted to each of these named executive officers in 2002 and 2001.

The Company does not have an employment agreement with Mr. O=Connell.

401(k) Profit Sharing Plan

On September 1, 1996, the Company established a qualified 401(k) retirement plan covering all employees who have met certain requirements as to age and date of service. The plan allows employees to make contributions by salary reductions. Company contributions are discretionary and are determined annually by the Board. Company contributions for the year ended December 31, 2002 were \$9,329.

The 1995 Long-Term Incentive and Stock Option Plan

Effective July 21, 1995, the Company, by resolution of its Board and stockholders, adopted the Stock Option Plan, which currently provides for the issuance of up to 1,500,000 shares of the Company's common stock. No preferred stock or other securities are authorized for issuance under the Stock Option Plan. The Stock Option Plan will terminate on July 20, 2005, unless sooner terminated by action of the Board.

All full or part-time employees (including officers and directors) of the Company (and any subsidiaries, including Alternate Postal Direct, Inc., National Home Delivery, Inc. and others, if the Company acquires or forms any additional subsidiaries) and non-employee directors, consultants and independent contractors providing services to the Company (or any subsidiaries) are eligible to receive options and awards under the Stock Option Plan. The Stock Option Plan is not subject to the Employee Retirement Income Security Act of 1974.

The Stock Option Plan permits the granting of awards to employees and non-employee officers, directors and agents of the Company in the form of stock appreciation rights, restricted stock awards and stock options. Stock options granted under the Stock Option Plan may be A incentive stock options,@ meeting the requirements of Section 422 of the Internal Revenue Code (the A Code@), or nonqualified options, which do not meet the requirements of Section 422. The Stock Option Plan is currently administered by the Compensation Committee. The Stock Option Plan gives broad powers to the Compensation Committee to administer and interpret the Stock Option Plan, including the authority to select the individuals to be granted options and rights, and to prescribe the particular form and conditions of each option or right granted. Incentive stock options, in order to receive favored tax treatment under the Code, must be exercisable for not more than 10 years and at not less than the fair market value of the Common Stock as of the date of

Edgar Filing: ALTERNATE MARKETING NETWORKS INC - Form DEF 14A

the grant (not more than 5 years and not less than 110 % of fair market value if the optionee is a 10% or greater stockholder) and may be granted only to employees. As of March 5, 2003, 533,854 options have been granted and 122,600 are outstanding.

Proposed Increase in Number of Authorized Shares

As of December 31, 2002, 1,500,000 shares reserved under the Stock Option Plan were subject to 122,600 outstanding options and 7,500 options granted under the Stock Option Plan have been exercised. In general, options become exercisable in equal installments over several years commencing with the first anniversary of grant.

The Board anticipates that it will continue to grant options to employees as part of its incentive program. In addition, the Board anticipates that, employees of Hencie may become eligible to participate in the Stock Option Plan and may choose to exercise their options by rendering their Hencie stock.

On March 6, 2003, the Board increased the number of shares reserved and authorized for issuance under the Stock Option Plan from 1,500,000 to 3,000,000, subject to stockholder approval. In order to have sufficient shares available, the Board recommends approval of the increase.

The following table sets forth the benefits or amounts of the newly authorized shares that will be received by or allocated to each of the following under the Stock Option Plan, to the extent such benefits or amounts are determinable:

NEW PLAN BENEFITS

1995 Long-Term Incentive Stock Option Plan

Chief Executive Officer	330,000

Non-Executive Director Group	75,000
Non-Executive Officer Employee Group	None

Tax Rules

The following is a brief summary of the federal income tax rules currently applicable to stock options that may be granted under the Stock Option Plan.

The grant of a NQSO will have no immediate tax consequences to the grantee or to the Company. Upon the exercise of a NQSO, the grantee will recognize ordinary income (and the Company will generally be entitled to a compensation deduction) in an amount equal to the excess of the fair market value of the shares of common stock on the date of the exercise of the option over the option exercise price. The grantee's tax basis in the shares will be the exercise price plus the amount of ordinary income recognized by the grantee, and the grantee's holding period will commence on the date the shares are transferred.

Upon a subsequent sale of shares of common stock acquired pursuant to the exercise of a NQSO, any difference between the grantee's tax basis in the shares and the amount realized on the sale is treated as long-term or short-term capital gain or loss, depending on the holding period of the shares.

The grant of an ISO will have no immediate tax consequences to the grantee or to the Company. The exercise of an ISO by the payment of cash to the Company will generally have no immediate tax consequences to the grantee (except to the extent it is an adjustment in computing alternative minimum taxable income) or to the Company. If a grantee holds the shares acquired pursuant to the exercise of an ISO for the required holding period, the grantee generally will realize long-term capital gain or long-term capital loss upon a subsequent sale of the shares in the amount of the difference between the amount realized upon the sale and the purchase price of the shares (i.e., the exercise price). In such case, no compensation deduction will be allowable to the Company in connection with the grant or exercise of the ISO or the sale of shares of common stock acquired pursuant to such exercise.

If, however, a grantee disposes of the shares prior to the expiration of the required holding period (a disqualifying disposition), the grantee will recognize ordinary income (and the Company will generally be entitled to a compensation deduction equal to the excess of the fair market value of the shares of common stock on the date of exercise (or the proceeds of the disposition, if less) over the exercise price.

Certain limitations apply to the Company's deduction of compensation payable to the person serving as its chief executive officer or to any of its four other most highly compensated executives in office as of the end of the year in which such compensation would otherwise be deductible. In general, the Company may not deduct compensation, other than performance-based compensation, payable to such an executive in excess of \$1 million for any year. Income resulting from the exercise of a stock option may be included in calculation of total income for purposes of determining whether the \$1 million limit has been exceeded.

Market Value and Resale of Option Shares

Market value and tradability of the shares issuable under the Stock Option Plan may be a consideration for some stockholders in evaluating Proposal 2.

As of March 5, 2003, 9,895,878 shares of the Company's Common Stock were issued and outstanding. On March 5, 2003, the closing bid and ask prices for the Company's Common Stock on the Over the Counter Bulletin Board (OTCBB) were \$0.31 and \$0.45 per share, respectively.

The shares authorized for issuance under the Incentive Plan (including the shares which are subject to approval by the stockholders at the Annual Meeting) are registered under the Securities Act of 1933 and, upon issuance, are freely tradable.

AUDIT COMMITTEE REPORT

The ultimate responsibility for good corporate governance rests with the Board, whose primary roles are oversight, counseling and direction to the Company's management in the best long-term interests of the Company and its stockholders. The Board's Audit Committee has been established for the purpose of overseeing the accounting and financial reporting processes of the Company and audits of the Company's annual financial statements.

Our Audit Committee is made up solely of independent directors and it operates under a written charter adopted by the Board. The composition of the Audit Committee, the attributes of its members and its responsibilities, as reflected in its charter, are intended to be in accordance with applicable requirements for corporate audit committees. The Audit Committee reviews and assesses the adequacy of its charter on an annual basis. The charter is presently under review, and it is expected that the Board, with the recommendation of the Audit Committee, will amend the charter later this year to reflect the relevant provisions of the Sarbanes-Oxley Act and related NASDAQ rules applicable to the Company if any. A copy of the Audit Committee's charter was most recently published in the Company's proxy statement for its 2002 annual meeting of stockholders.

As described more fully in its charter, the purpose of the Audit Committee is to assist the Board in its general oversight of the Company's financial reporting, internal controls and audit functions. Management is responsible for the preparation, presentation and integrity of the Company's financial statements, accounting and financial reporting principles, internal controls, and procedures designed to ensure compliance with accounting standards, applicable laws and regulations. The Company's internal auditors and accounting personnel are responsible for objectively reviewing and evaluating the adequacy, effectiveness and quality of the Company's system of internal controls relating to the reliability and integrity of its financial information. The Company's independent auditors are responsible for performing an independent audit of the consolidated financial statements in accordance with generally accepted auditing standards. The Audit Committee has ultimate authority and responsibility to select, compensate, evaluate and, when appropriate, replace the Company's independent auditors.

The Audit Committee members are not professional accountants or auditors, and their functions are not intended to duplicate or to certify the activities of management and the independent auditors, nor can the Audit Committee

Edgar Filing: ALTERNATE MARKETING NETWORKS INC - Form DEF 14A

certify that the independent auditors are "independent" under applicable rules. The Audit Committee serves a board-level oversight role, in which it provides advice, counsel and direction to management and the auditors on the basis of the information it receives, discussions with management and the auditors, and the experience of the Audit Committee's members in business, financial and accounting matters. The Audit Committee has the authority to engage its own outside advisers, including experts in particular areas of accounting, as it determines appropriate, apart from counsel or advisers hired by management.

The Audit Committee has an annual agenda that includes reviewing the Company's financial statements, internal controls and audit matters. The Audit Committee meets regularly with the Company's independent auditors and management to review the Company's interim financial results before the publication of the Company's quarterly earnings press releases. Management's and the Company's independent auditor's presentations to and discussions with the Audit Committee cover various topics and events that may have significant financial impact and/or are the subject of discussions between management and the independent auditors. In addition, the Audit Committee generally oversees the Company's internal compliance programs. The Audit Committee is responsible for establishing procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters, including the confidential, anonymous submission by Company employees, received through established procedures, of concerns regarding questionable accounting or auditing matters.

Among other matters, the Audit Committee monitors the activities and performance of the Company's internal and external auditors, including the audit scope, external audit fees, auditor independence matters and the extent to which the independent auditors may be retained to perform non-audit services. The Company's independent auditors provide the Audit Committee with the written disclosures required by Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," and the Audit Committee discusses with the independent auditors and management that firm's independence.

In accordance with existing Audit Committee policy, all services to be provided by the Company's independent auditors are subject to pre-approval by the Committee. This includes audit services, audit-related services, tax services, and other services. In some cases, pre-approval is provided by the full Committee for up to a year, and relates to a particular category or group of services and is subject to a specific budget. In other cases, the Chairman of the Audit Committee has the delegated authority from the Committee to pre-approve additional services, and such pre-approvals are then communicated to the full Audit Committee.

The Audit Committee has reviewed and discussed the consolidated financial statements for fiscal year 2002 with management and the independent auditors; management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles; and the independent auditors represented that their presentations included the matters required to be discussed with the independent auditors by Statement on Auditing Standards No. 61, as amended, "Communication with Audit Committees." This review included a discussion with management of the quality, and not merely the acceptability, of the Company's accounting principles, the reasonableness of significant estimates and judgments, and the clarity of disclosure in the Company's financial statements. In reliance on these views and discussions, and the report of the independent auditors, the Audit Committee has recommended to the Board, and the Board has approved, the inclusion of the audited financial statements in

Edgar Filing: ALTERNATE MARKETING NETWORKS INC - Form DEF 14A

the Company's Annual Report on Form 10-KSB for the year ended December 31, 2002 for filing with the Commission.

INDEPENDENT AUDITORS

Selection of Independent Auditor for 2003

Deloitte & Touche LLP was selected in August 2002 by the Board to serve as the Company's independent auditors for the fiscal year ended December 31, 2002. Deloitte & Touche is engaged as our independent auditor by the Audit Committee, who can dismiss the firm in its sole discretion without payment of any penalty fee.

In the past, we have requested that our stockholders vote to ratify the appointment of our independent auditor for the year. This vote is only advisory, because the Board (and now the Audit Committee) has the sole authority to hire and dismiss the independent auditors. We have not included an auditor ratification proposal this year because the Board did not consider a ratification proposal to be meaningful this year.

The services and fees relating to Deloitte & Touche are primarily for audit, audit-related, and tax services, as described below. In part due to the new requirements and other current and future regulations, the Company expects that its audit and audit-related expenses will increase for 2003 over the 2002 amounts described below. The Company's overall costs, including related internal costs, would likely be greater in the event that a firm other than Deloitte & Touche is chosen as our independent auditors for 2003. Extra time and expense would be involved to familiarize new auditors with the Company's operations, procedures, systems and the industry environment. The knowledge, expertise and efficiencies developed over time by Deloitte & Touche with regard to the Company would not likely be duplicated by a new firm for a number of years. Similar commitments of time and expense would be involved in any related changes in the providers of non-audit services as described above.

The Audit Committee considered these and other matters in its selection process.

The Audit Committee pre-approves and reviews audit and non-audit services performed by Deloitte & Touche as well as the fees charged by Deloitte & Touche for such services.
