Blackwood, New Jersey

We were engaged to audit the financial statements and supplemental schedule of the A.C. Moore Arts & Crafts, Inc. 401(k) Plan (the "Plan") as of December 31, 2002 and 2001, and for the years then ended as listed in the accompanying table of contents. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements and supplemental schedule based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements and supplemental schedule are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements and supplemental schedule referred to above present fairly, in all material respects, the net assets available for benefits of the A.C. Moore Arts & Crafts, Inc. 401(k) Plan as of December 31, 2002 and 2001, and the changes in net assets available for benefits for the year ended December 31, 2002, in conformity with accounting principles generally accepted in the United States of America.

1. DESCRIPTION OF PLAN:

The following description of the A.C. Moore Arts & Crafts, Inc. 401(k) Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The A.C. Moore Arts & Crafts, Inc. 401(k) Plan (the Plan) was established in 1999 by A.C. Moore Arts & Crafts, Inc. (the Company) to provide for retirement income and financial protection in the event of death or retirement of covered employees and to provide for the financial protection and compensation of employees in the event of permanent disability. The Plan is subject to the Employee Retirement

Edgar Filing: A C MOORE ARTS & CRAFTS INC - Form 11-K

Income Security Act of 1974 (ERISA). Substantially all administrative expenses are paid directly by the Company.

All employees of the employer and participating affiliates who are at least 21 years of age and have completed 1/4 year of service are eligible to participate in this Plan, except non-resident aliens, and employees who are members of a union who bargained separately for retirement benefits during negotiations. Employees will become a participant in the Plan on the entry date coincident with or next following the date they meet the participation requirements. The entry dates for the Plan are the first day of each month.

Employees may elect to contribute up to 20 percent of their annual compensation, not to exceed \$11,000 for 2002. The Company made a matching contribution of 25 percent of the first 6 percent of the employee compensation contributed as an elective deferral subject to a maximum of \$1,500 for 2002.

Each participant's account is credited with the participant's and employer's contribution and related plan earnings, transfer contributions and rollovers. Allocations are based on participant earnings or account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

BISYS Plan Services provides record keeping services for the Plan's Trustee. During 2001, the Plan changed trustees from Merrill Lynch Trust Service to Frontier Trust Company, FSB. The employees' and employer's contributions were deposited in a fund held by the Trustee during the year.

Participants may direct the investment of their account balances among alternative investment funds provided under the Plan.

Participants are immediately vested in their voluntary contributions and any transfers or rollovers plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service. A participant is 100 percent vested after 3 years of credited service.

On termination of service, the normal form of payment to a participant is a lump sum. An optional form of payment is installments payable in cash or in kind, or part cash and part in kind over a period not to exceed the participant's expected lifetime, or the joint future lifetime of the participant and spouse.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting:

The accompanying financial statements have been prepared on the accrual basis of accounting.

Repayment of a loan must be made at least quarterly, on an after-tax basis, in level payments of principal and interest, and repaid within five years, except for the purchase of a primary residence.

3. TAX STATUS:

The Plan has not yet received a determination letter. However, the plan's administrator and advisors believe that the plan and trust are currently designed and are operating in compliance with the Internal Revenue Code. Therefore, they believe that the plan was qualified and the related trust was tax exempt as of the financial statement date.
