**CVRD to pay dividend to shareholders on April 29**

Rio de Janeiro, April 14, 2005 Pursuant to the public announcement made on January 31, 2005, Companhia Vale do Rio Doce (CVRD) informs that the payment of the first installment of its USD 0.87 minimum dividend per outstanding share to be paid in 2005 was approved. The minimum dividend was proposed in accordance with CVRD's Dividend Policy. The minimum dividend will be paid to shareholders in two equal installments, on April 29 and October 31, 2005, respectively.

The first installment of the minimum dividend will be paid according to the following terms:

1. Distribution of interest on shareholders' equity in the amount of R\$ 1,279,900,000.00 (one billion two hundred seventy nine million nine hundred thousand Brazilian reais) equivalent to BRL 1.11 (one Brazilian real and eleven cents) per outstanding preferred share or common share. The value of R\$ 1.11 per share is equal to US\$ 0.435 per share converted into Brazilian reais by the 2.5598 BRL/USD exchange rate for the sale of USD (Ptax option 5 code), as informed by the Central Bank of Brazil on April 13, 2005.
2. The payment will take place from April 29, 2005, onwards. The distribution of interest on shareholders' equity is subject to withholding income tax in accordance to the applicable law.

The record date for CVRD shares traded on Bovespa, the São Paulo Stock Exchange, is today, April 14, 2005. For the Company's American Depositary Receipts (ADRs) traded on the NYSE, the New York Stock Exchange, the record date will be April 19, 2005. All shareholders on these respective record dates will have the right to the dividend payment. CVRD shares will trade ex-dividend in both markets from tomorrow, April 15, 2005.

This payment is in line with CVRD's Dividend Policy. The establishment of this Policy, unique in Latin America, had the main purpose of reducing uncertainties of the Company's shareholders regarding the minimum dividend for the year.

This press release may contain statements that express management's expectations about future events or results rather than historical facts. These forward-looking statements involve risks and uncertainties that could cause actual results to differ materially from those projected in forward-looking statements, and CVRD cannot give assurance that such statements will prove correct. These risks and uncertainties include factors: relating to the Brazilian economy and securities markets, which exhibit volatility and can be adversely affected by developments in other countries; relating to the iron ore business and its dependence on the global steel industry, which is cyclical in nature; and relating to the highly competitive industries in which CVRD operates. For additional information on factors that could cause CVRD's actual results to differ from expectations reflected in forward-looking statements, please see CVRD's reports filed with the Brazilian Comissão de Valores Mobiliários and the U.S. Securities and Exchange Commission.
