**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

(e) Compensatory Arrangements of Certain Officers

On April 17, 2009, the Board of Directors (the Board) of PHH Corporation (PHH or the Company) previously approved, subject to stockholder approval, the PHH Corporation Amended and Restated 2005 Equity and Incentive Plan (the Amended 2005 EIP). The Amended 2005 EIP: (1) increases by 4,550,000 shares the maximum number of shares that the Company may issue as awards (of which no more than 2,250,000 shares may be issued pursuant to awards that are not stock options or stock appreciation rights (SARs)); (2) clarifies the definition of pre-tax income of the Company or any subsidiary, division or business unit as a performance goal under the Amended Plan; (3) increases the maximum aggregate value of any payment subject to awards under the annual incentive program or stock- or cash-based awards other than stock options, SARs, restricted stock or restricted stock units from \$1.0 million to \$5.0 million in respect of any calendar year; and (4) incorporates certain other modifications and changes described more fully in the Amended 2005 EIP, attached as Exhibit 10.1 to this Form 8-K. According to the certified results from the Company's 2009 annual meeting of stockholders (the 2009 Annual Meeting) held on June 10, 2009, the Company's stockholders have approved the Amended 2005 EIP.

Persons eligible to receive awards under the Amended 2005 EIP include non-employee directors of the Company, officers or other employees of the Company or any of its subsidiaries, and certain consultants and advisors to the Company or any of its subsidiaries.

Until and unless further amended as described below, the maximum number of shares of the Company's common stock that may be issued pursuant to awards under the Amended 2005 EIP is 12,050,000 shares.

To the extent that an award is settled in cash or a form other than shares, the shares that would have been delivered had there been no such cash or other settlement will not be counted against the shares available for issuance under the Amended 2005 EIP. In the event that shares are delivered in respect of a dividend equivalent right, only the actual number of shares delivered with respect to the award will be counted against the share limits of the Amended 2005 EIP. To the extent that shares are delivered pursuant to the exercise of a SAR, the number of underlying shares as to which the exercise related will be counted against the share limits of the Amended 2005 EIP. Shares that are subject to or underlie awards which expire or for any reason are cancelled, terminated, or forfeited, fail to vest, or for any other reason are not paid or delivered under the Amended 2005 EIP, will again be available for subsequent awards under the Amended 2005 EIP. Shares that are exchanged by a participant or withheld by the Company to pay the exercise price of an award granted under our Amended 2005 EIP, as well as any shares exchanged or withheld to satisfy the tax withholding obligations related to any award, will not be available for subsequent awards under the Amended 2005 EIP.

The Amended 2005 EIP authorizes the grant of stock options, SARs, restricted stock, restricted stock units, stock bonuses, performance-based awards, dividend equivalent rights and ownership interests in PHH, as well as cash bonus awards.

As is customary in incentive plans of this nature, each share limit and the number and kind of shares available under the Amended 2005 EIP and any outstanding stock-based awards, as well as the exercise, base or purchase prices of awards, and performance targets under certain types of performance-based awards, are subject to adjustment in the event of certain reorganizations, mergers, combinations, recapitalizations, stock splits, stock dividends, or other similar events that change the number or kind of shares outstanding, and extraordinary dividends or distributions of property to the stockholders.

As previously announced on June 4, 2009, PHH intends to reduce the aggregate number of shares authorized to be issued under the Amended 2005 EIP by 1,000,000 shares.

The foregoing summary of the Amended 2005 EIP is qualified in its entirety by reference to the text of the Amended 2005 EIP document, which is filed as Exhibit 10.1 hereto and incorporated herein by reference.
