Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On February 8, 2010, the Compensation Committee (the Committee) of the Board of Directors of The Timken Company (the Company) approved the implementation of clawback provisions for all of the Company's annual cash incentive plans, including the Senior Executive Management Performance Plan (the SEMPP), and for certain future awards under the Company's Long-Term Incentive Plan, as Amended and Restated (the LTIP). The SEMPP, as amended and restated, is subject to approval by the Company's shareholders at its 2010 annual meeting of shareholders. The Company's named executive officers are eligible to participate in the SEMPP and receive awards under the LTIP.

Pursuant to the clawback provisions under the cash bonus plans, if any of the Company's financial statements for any fiscal year after 2009 are restated due to material noncompliance with any U.S. financial reporting requirements as a result of the participant's personal misconduct or fraudulent activity, as determined by the Committee, then the Committee has discretion to cause the Company to recover all or a portion of the participant's bonus for the affected fiscal year.

Additionally on February 8, 2010, the Committee approved grants of performance shares to certain officers, including its named executive officers, pursuant to the LTIP. A performance share is a bookkeeping equivalent to one common share. If, during the performance period, the specified management objectives established by the Committee are achieved, the recipient will be eligible to earn the performance shares on an annual time-vested basis during the remainder of the performance period. If the recipient has not achieved the management objectives during the performance period, the performance shares will be forfeited unless, prior to the fourth anniversary of the grant, the recipient dies or becomes disabled or a change in control occurs. Unearned performance shares are also forfeited upon the recipient's termination of employment other than upon certain terminations relating to retirement, a layoff or a divestiture. Upon a change in control or the death or disability of the recipient, the performance shares become fully earned. To the extent earned, the performance shares will be paid to the recipient in common shares. These awards also provide for the payment of dividend equivalents. Any dividend equivalents relating to dividends paid prior to achieving the management objectives will be held and paid if and when the management objectives are achieved. Thereafter, dividend equivalents will be paid to a recipient in the same calendar quarter that dividends are paid to shareholders of the Company generally. The performance shares will be granted pursuant to a Performance Share Agreement, the form of which is attached hereto as Exhibit 10.1. The Performance Share Agreement does not include a clawback provision.
