Capital Covenants

The Company has entered into several transactions involving the issuance of capital securities (Capital Securities) by Delaware statutory trusts formed by the Company (the Trusts), the issuance by the Company of preferred stock (Preferred Stock) or the issuance by an indirect subsidiary of U.S. Bank National Association of preferred stock exchangeable for the Company's Preferred Stock under certain circumstances (Exchangeable Preferred Stock). Simultaneously with the closing of each of those transactions, the Company entered into a replacement capital covenant (each, a Replacement Capital Covenant and collectively, the Replacement Capital Covenants) for the benefit of persons that buy, hold or sell a specified series of long-term indebtedness of the Company or U.S. Bank National Association (the Covered Debt). Each of the Replacement Capital Covenants provides that neither the Company nor any of its subsidiaries (including any of the Trusts) will repay, redeem or purchase any of the Preferred Stock, Exchangeable Preferred Stock or the Capital Securities and the securities held by the Trust (the Other Securities), as applicable, on or before the date specified in the applicable Replacement Capital Covenant, with certain limited exceptions, except to the extent that, during the 180 days prior to the date of that repayment, redemption or purchase, the Company has received proceeds from the sale of qualifying securities that (i) have equity-like characteristics that are the same as, or more equity-like than, the applicable characteristics of the Preferred Stock, the Exchangeable

Preferred Stock, the Capital Securities or Other Securities, as applicable, at the time of repayment, redemption or purchase, and (ii) the Company has obtained the prior approval of the Federal Reserve Board, if such approval is then required by the Federal Reserve Board or, in the case of the Exchangeable Preferred Stock, the approval of the Office of the Comptroller of the Currency.

The Company will provide a copy of any Replacement Capital Covenant to a holder of the relevant Covered Debt. For copies of any of these documents, holders should write to Investor Relations, U.S. Bancorp, 800 Nicollet Mall, Minneapolis, Minnesota 55402, or call (866) 775-9668.

The 68,344,883 shares available under the U.S. Bancorp 2007 Stock Incentive Plan are available for future awards in the form of stock options, stock appreciation rights, restricted stock, restricted stock units, performance awards or other stock-based awards, except that only 24,830,820 of these shares are available for future grants of awards other than stock options or stock appreciation rights.*

Table of Contents

As of December 31, 2007, options to purchase an aggregate of 1,891,326 shares were outstanding under the 2001 Plan. Under the 2001 Plan, nonqualified stock options were granted to full-time or part-time employees actively employed by U.S. Bancorp on the grant date, other than individuals eligible to participate in any of the Company's executive stock incentive plans. All options outstanding under the plan were granted on February 27, 2001.

As of December 31, 2007, options to purchase an aggregate of 521,689 shares of the Company's common stock were outstanding under the 1999 Plan. Under this plan, stock options were granted to each full-time or part-time employee actively employed by Firststar Corporation on the grant date, other than managers who participated in an executive stock incentive plan.

As of December 31, 2007, options to purchase an aggregate of 722,569 shares of the Company's common stock were outstanding under the 1998 Plan. Under this plan, stock options were granted to each full-time or part-time employee actively employed by Firststar Corporation on the grant date, other than managers who participated in an executive stock incentive plan.

No further options will be granted under the 2001 Plan, the 1999 Plan or the 1998 Plan. Under all of these plans, the exercise price of the options equals the fair market value of the underlying common stock on the grant date. All options granted under the plans have a term of 10 years from the grant date and become exercisable over a period of time set forth in the relevant plan or as determined by the committee administering the relevant plan. Options granted under the plans are nontransferable and, during the optionee's lifetime, are exercisable only by the optionee.

If an optionee is terminated as a result of his or her gross misconduct or offense, all options terminate immediately, whether or not vested. Under the 2001 Plan, the 1999 Plan and the 1998 Plan, in the event an optionee is terminated immediately following a change in control (as defined in the plans) of U.S. Bancorp, and the termination is due to business needs resulting from the change in control and not as a result of the optionee's performance or conduct, all of the optionee's outstanding options will become immediately vested and exercisable as of the date of termination.

If the outstanding shares of the Company's common stock are changed into or exchanged for a different number or kind of stock or other securities as a result of a reorganization, recapitalization, stock dividend, stock split, combination of shares, reclassification, merger, consolidation or similar event, the number of shares underlying outstanding options also may be adjusted. The plans may be terminated, amended or modified by the Board of Directors at any time.

The deferred compensation plans allow non-employee directors and members of the Company's senior management to defer all or part of their compensation until the earlier of retirement or termination of employment. The deferred compensation is deemed to be invested in one of several investment alternatives at the option of the participant, including shares of U.S. Bancorp common stock. Deferred compensation deemed to be invested in U.S. Bancorp stock may be received at the time of distribution at the election of the participant, in the form of shares of U.S. Bancorp common stock. The 3,178,642 shares included in the table assumes that participants in the plans whose deferred compensation had been deemed to be invested in U.S. Bancorp common stock had elected to receive all of that deferred compensation in shares of U.S. Bancorp common stock on December 31, 2007. The U.S. Bancorp 2005 Executive Employees Deferred Compensation Plan and the U.S. Bancorp 2005 Outside Directors Deferred Compensation Plan are the Company's only deferred compensation plans under which compensation may currently be deferred.
