Item 1.01 Entry into a Material Definitive Agreement.

On February 29, 2008, Midcontinent Express Pipeline LLC (MEP), a joint venture between Energy Transfer Partners, L.P. (the Partnership) and Kinder Morgan Energy Partners, L.P. (KMEP), entered into a credit agreement with The Royal Bank of Scotland plc, as administrative agent, and certain other agents and lenders party thereto, that provides for a \$1.4 billion senior revolving credit facility (the MEP Facility). Pursuant to a guaranty agreement also dated February 29, 2008 between the Partnership and The Royal Bank of Scotland, as administrative agent (the Guaranty Agreement), the Partnership has agreed to guarantee 50% of the obligations of MEP under the MEP Facility, with the remaining 50% of MEP Facility obligations guaranteed by KMEP. Copies of the MEP Facility and the Guaranty Agreement are attached hereto as Exhibits 10.1 and 10.2 and are incorporated herein by reference.

Subject to certain exceptions, the Partnership's guarantee may be proportionately increased or decreased if its ownership percentage in MEP increases or decreases. The MEP Facility is available through February 28, 2011. Amounts borrowed under the MEP Facility are unsecured and bear interest at a rate based on either a Eurodollar rate or a prime rate. The commitment fee payable on the unused portion of the MEP Facility varies based on both the Partnership's debt rating and that of KMEP, with a maximum fee of 0.15%. The MEP Facility also has a swingline loan option with a maximum borrowing of \$25.0 million at a prime rate. The sum of the loans, swingline loans and letters of credit may not exceed the maximum amount of revolving credit available under the MEP Facility. The indebtedness under the MEP Facility is prepayable at any time at the option of MEP without penalty. The MEP Facility contains customary covenants, including covenants that limit (subject to certain exceptions) MEP's ability to grant liens, incur indebtedness, engage in transactions with affiliates, enter into restrictive agreements, enter into mergers or dispose of substantially all of its assets.

The Guaranty Agreement incorporates by reference all of the covenants contained in the credit agreement related to the Partnership's existing \$2.0 billion revolving credit facility (the ETP Credit Agreement) that limit (subject to certain exceptions) the ability of the Partnership and certain of the Partnership's subsidiaries to, among other things:

incur indebtedness;

grant liens;

enter into mergers;

dispose of assets;

make certain investments;

make Distributions during certain Defaults and during any Event of Default (as such terms are defined in the ETP Credit Agreement);

engage in business substantially different in nature than the business currently conducted by the Partnership and its subsidiaries;

engage in transactions with affiliates;

enter into restrictive agreements; and

enter into speculative hedging contracts.

The ETP Credit Agreement also contains a financial covenant that provides that on each date the Partnership makes a Distribution, the Leverage Ratio (as defined in the ETP Credit Agreement) shall not exceed 5.0 to 1, with a permitted increase to 5.5 to 1 during a Specified Acquisition Period (as defined in the ETP Credit Agreement).

Pursuant to the Guaranty Agreement, the Partnership has agreed to comply with the above covenants until its obligations under the Guaranty Agreement are finally and indefeasibly paid in full after the lenders' commitments have expired or been terminated and no obligations of the Partnership under the Guaranty Agreement are subject to reinstatement.

The above descriptions of the MEP Facility and Guaranty Agreement do not purport to be complete and are qualified in their entirety by reference to the MEP Facility and Guaranty Agreement that are attached hereto as Exhibit 10.1 and Exhibit 10.2 and incorporated herein by reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet
