At the 2009 Annual Meeting of Stockholders of ION Geophysical Corporation (ION, or the Company) held on May 27, 2009, the stockholders of the Company approved all of the matters submitted before them, consisting of the following:

The election of Theodore H. Elliott, Jr., James M. Lapeyre, Jr. and G. Thomas Marsh to the Board of Directors of the Company for a three-year term ending in 2012;

The approval of an employee equity replenishment program that would permit certain of ION s current employees to exchange certain outstanding stock options having exercise prices substantially above the current market price of ION common stock and receive shares of ION common stock;

The approval of an amendment to ION s Restated Certificate of Incorporation to allow a reverse stock split of ION s common stock at any time prior to ION s 2010 Annual Meeting at one of three reverse split ratios (1-for-2, 1-for-5 or 1-for-10) as selected by the Company s Board of Directors in its sole discretion; and

The ratification of the appointment of Ernst & Young LLP as ION s independent registered public accounting firm (independent auditors) for 2009.

These proposals are described in more detail in the Company s Definitive Proxy Statement for its 2009 Annual Meeting of Stockholders as filed with the Securities and Exchange Commission on April 23, 2009.

As disclosed in the Definitive Proxy Statement, the employee equity replenishment program may be implemented at any time (to be determined in the discretion of the Board of Directors and the Compensation Committee) that is within six months after May 27, 2009, the date of its stockholder approval (subject to applicable tender offer rules). However, depending on market and other conditions, the Board of Directors (or Compensation Committee) may determine not to implement the employee equity replenishment program at all. The Company has determined that all executive officers of ION will be excluded from participating in the employee equity replenishment program.
