ITEM 5. OTHER EVENTS AND REGULATION FD DISCLOSURE.

and April 20, 2003 through May 17, 2003, copies of which are attached hereto as Exhibit 99.1 and Exhibit 99.2, respectively. On August 19, 2003, the Company filed its monthly operating report for the period May 18, 2003 through June 14, 2003, a copy of which is attached hereto as Exhibit 99.3. On August 27, 2003, the Company filed its monthly operating report for the period June 15, 2003 through July 12, 2003, a copy of which is attached hereto as Exhibit 99.4. On September 23, 2003, the Company filed its monthly operating report for the period July 13, 2003 through August 9, 2003, a copy of which is attached hereto as Exhibit 99.5. On October 22, 2003, the Company filed its monthly operating report for the period August 10, 2003 through September 6, 2003, a copy of which is attached hereto as Exhibit 99.6.

The Company is in the process of evaluating its reorganization alternatives and, in connection with evaluating its alternatives, is developing a plan of reorganization (a "Plan") to file with the Bankruptcy Court. The Company is also discussing its reorganization alternatives and the possible terms of a Plan with, among others, the Official Committee of Unsecured Creditors of the Company. In connection with such evaluation and the development of the Plan, based on numerous factors, including the competing claims of the Company's creditor constituencies against the Company and its bankruptcy estate, the Company has concluded that its assets will be insufficient to permit any meaningful distribution to its equity holders. In light of this conclusion, the Company believes that its equity securities, including shares of Fleming common stock, have little or no value, and it is highly likely that all existing equity securities of the Company will be completely extinguished and canceled under any Plan proposed by the Company.
