PART III NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

As previously announced, the Registrant identified certain asset carrying values, primarily accounts receivable, requiring downward adjustment in one of its Canadian service centers in its Service Experts business segment. The Registrant is working with the audit committee of its board of directors and its outside auditors to ensure appropriate accounting treatment and identify any potential impact on the company's historical financial statements. Since the inquiry has not been completed, the Registrant has not finalized its Annual Report on Form 10-K for the year ended December 31, 2003 because it believes that the results of the inquiry will need to be incorporated into the Form 10-K in order to provide a thorough, accurate and complete presentation of the information contained therein. In addition, once the inquiry is complete, the Registrant will seek the final review by KPMG LLP, the Registrant's independent public accountant, so that the Registrant's Form 10-K can be filed within the extension period.
