Introductory Note

We are filing this Amendment No. 1 to our Quarterly Report on Form 10-Q for the quarter ended March 31, 2006 (the First Quarter 2006 10-Q), which was originally filed on April 28, 2006, to revise certain disclosures concerning our internal controls and procedures in Part I, Item 4, based on an SEC request. This request was one element of a review by the Division of Corporation Finance of the SEC of our quarterly report on Forms 10-Q filed during 2006. We have received and responded to the various SEC staff comments.

This Form 10-Q/A does not affect the Company's Consolidated Financial Statements or related Notes, or other information as presented in our First Quarter 2006 10-Q. This Form 10-Q/A does not reflect events that have occurred after the First Quarter 2006 10-Q was originally filed or update the information set forth in the First Quarter 2006 10-Q originally filed for matters that occurred subsequent to such original filing date.

PART I. FINANCIAL INFORMATION

Item 4. Controls and Procedures

Under the supervision and with the participation of the Company's Chief Executive Officer and Chief Financial Officer, management of the Company has evaluated the effectiveness of the design and operation of the Company's disclosure controls and procedures (as defined in Rules 13a-15(e) and 15d-15(e) under the Securities Exchange Act of 1934) as of March 31, 2006 (Evaluation Date). Based upon that evaluation, the Chief Executive Officer and Chief Financial Officer concluded that, as of the Evaluation Date, the Company's disclosure controls and procedures are effective (i) to ensure that information required to be disclosed by us in reports that the Company files or submits under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the Securities and Exchange Commission rules and forms; and (ii) to ensure that information required to be disclosed in the reports that the Company files or submits under the Exchange Act is accumulated and communicated to our management, including the Company's Chief Executive Officer and Chief Financial Officer, to allow timely decisions regarding required disclosures.

There was no change in the Company's internal control over financial reporting during the quarter ended March 31, 2006, that has materially affected, or is reasonably likely to materially affect, the Company's internal control over financial reporting.

The Company's management, including its Chief Executive Officer and Chief Financial Officer, does not expect that the Company's disclosure controls and procedures or internal controls will prevent all possible error and fraud. The Company's disclosure controls and procedures are, however, designed to provide reasonable assurance of achieving their objectives, and the Company's Chief Executive Officer and Chief Financial Officer have concluded that the Company's financial controls and procedures are effective at that reasonable assurance level.
