ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

On March 23, 2007, Gaylord Entertainment Company (the Company) refinanced its credit facilities by entering into an Amended and Restated Credit Agreement by and among the Company, certain subsidiaries of the Company party thereto, as guarantors, the lenders party thereto and Bank of America, N.A., as administrative agent. The \$1.0 billion amended and restated credit facility (the Credit Facility) represents an increase of the Company's existing \$600.0 million credit facility.

The Credit Facility consists of the following components: (a) a \$300.0 million senior secured revolving credit facility, which includes a \$50.0 million letter of credit sublimit and a \$30.0 million sublimit for swingline loans, and (b) a \$700.0 million senior secured delayed draw term loan facility, which may be drawn on in one or more advances during its term. The Credit Facility also includes an accordion feature that will allow the Company, on a one-time basis, to increase the Credit Facility by a total of up to \$100.0 million, subject to securing additional commitments from existing lenders or new lending institutions. The revolving loan, letters of credit and term loan mature on March 9, 2010. At the Company's election, the revolving loans and the term loans will bear interest at an annual rate of LIBOR plus an applicable margin or the lending banks' base rate plus an applicable margin, subject to adjustments based on the Company's financial performance. Interest on the Company's borrowings is payable quarterly, in arrears, for base rate loans and at the end of each interest rate period for LIBOR rate-based loans. Principal is payable in full at maturity. The Company is required to pay a commitment fee ranging from 0.125% to 0.35% per year of the average unused portion of the Credit Facility.

The purpose of the Credit Facility is for working capital and capital expenditures and the financing of the costs and expenses related to the continued construction of the Gaylord National hotel. Construction of the Gaylord National hotel is required to be substantially completed by October 31, 2008 (subject to customary force majeure provisions).

The credit facility is (i) secured by a first mortgage and lien on the real property and related personal and intellectual property of the Company's Gaylord Opryland hotel, Gaylord Texan hotel, Gaylord Palms hotel and Gaylord National hotel (in the process of being constructed) and pledges of equity interests in the entities that own such properties and (ii) guaranteed by each of the four wholly owned subsidiaries that own the four hotels as well as ResortQuest International, Inc. Advances are subject to a 60% borrowing base, based on the appraisal value of the hotel properties (reduced to 50% in the event a hotel property is sold).

In addition, the Credit Facility contains certain covenants which, among other things, limit the incurrence of additional indebtedness, investments, dividends, transactions with affiliates, asset sales, acquisitions, mergers and consolidations, liens and encumbrances and other matters customarily restricted in such agreements. The material financial covenants, ratios or tests contained in the Credit Facility are as follows:

The Company must maintain a consolidated funded indebtedness to total asset value ratio as of the end of each calendar quarter (i) following the closing date of the Credit Facility through the calendar quarter ending immediately prior to the first full quarter during which the Gaylord National hotel is substantially completed, of not more than 70% and (ii) for all calendar quarters thereafter, of not more than 65%.

The Company must maintain a consolidated tangible net worth of not less than the sum of \$550.0 million, increased on a cumulative basis as of the end of each calendar quarter, commencing with the calendar quarter ending March 31, 2005, by an amount equal to (i) 75% of consolidated net

income (to the extent positive) for the calendar quarter then ended, plus (ii) 75% of the proceeds received by the Company or any of the Company's subsidiaries in connection with any equity issuance.

The Company must maintain a minimum consolidated fixed charge coverage ratio of not less than 2.00 to 1.00.

The Company must maintain an implied debt service coverage ratio (the ratio of adjusted net operating income to monthly principal and interest that would be required if the outstanding balance were amortized over 25 years at an assumed fixed rate) of not less than 1.60 to 1.00.

Certain of the lenders under the Credit Facility or their affiliates have provided, and may in the future provide, certain commercial banking, financial advisory, and investment banking services in the ordinary course of business for the Company, its subsidiaries and certain of its affiliates, for which they receive customary fees and commissions. The foregoing description of the Credit Facility does not purport to be complete and is qualified in its entirety by reference to the amended and restated credit agreement evidencing the Credit Facility, which is attached hereto as Exhibit 10.1.

ITEM 2.03. CREATION OF A DIRECT FINANCIAL OBLIGATION OR AN OBLIGATION UNDER AN OFF-BALANCE SHEET ARRANGEMENT OF A REGISTRANT.
