PROXY STATEMENT

The Board of Directors of Escalade, Incorporated (hereinafter referred to as "Escalade" or the "Company"), headquartered at 251 Wedcor Avenue, Wabash, Indiana 46992 ((260) 569-7208), is soliciting proxies, the form of which is enclosed, for the Annual Meeting of Stockholders to be held on Saturday, April 24, 2004, at 9:00 a.m. Central Time. Each of the 6,476,391 shares of common stock outstanding on February 27, 2004 is entitled to one vote on all matters acted upon at the meeting and only Stockholders of record on the books of the Company at the close of business on February 27, 2004 will be entitled to vote at the meeting, either in person or by proxy.

The shares represented by all properly executed proxies received by the Company will be voted as designated and each not designated will be voted affirmatively. Unless discretionary authority is withheld, all other matters coming before the meeting will be voted according to the best judgment of the

Edgar Filing: ESCALADE INC - Form DEF 14A

proxies. Any proxy given by a shareholder of record may be revoked at any time before it is voted, by written notice to the Company's Secretary, by execution of a later dated proxy, or by a personal vote at the Annual Meeting. This proxy statement is being mailed to shareholders on or about March 22, 2004.

The expense of soliciting proxies will be borne by the Company. Proxies will be solicited principally by mail, but may also be solicited by Directors, Officers, and other regular employees of the Company, who will receive no compensation in addition to their regular salaries. Bankers and others who hold stock in trust will be asked to send proxy materials to the beneficial owners of the stock, and the Company may reimburse them for their expenses.

The holders of a majority of the Company's outstanding Common Stock must be present or represented by proxy at the Annual Meeting to constitute a quorum.

The seven (7) nominees receiving the greatest number of votes cast at the Annual Meeting upon the presence of a quorum will be elected as directors. A properly executed proxy marked "Withhold Authority to Vote" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum present at the Annual Meeting. The persons named as proxies in the enclosed proxy will vote for the election of the nominees named below unless authority to vote is withheld.

For each other item presented at the Annual Meeting, the affirmative vote of the holders of a majority of the Company's shares present or represented by proxy at the Annual Meeting and entitled to vote on the item will be required for approval. A properly executed proxy marked "Abstain" with respect to any such matter will not be voted, although it will be counted for purposes of determining whether there is a quorum present at the Annual Meeting. Accordingly, an abstention will have the effect of a negative vote.

If you hold your shares in "street name" through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to some of the matters to be acted upon. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on those matters and will not be counted in determining the number of shares necessary for approval. Shares represented by such "broker non-votes" will, however, be counted in determining whether there is a quorum.

The Annual Report of the Company for the year of 2003 is being mailed to you with this proxy statement, but such report and financial statements are not a part of this proxy statement.

CERTAIN BENEFICIAL OWNERS

Under Rule 13(d) of the Securities Exchange Act of 1934, a beneficial owner of a security is any person who directly or indirectly has or shares voting power or investment power over such security. Such beneficial owner under this definition needs not enjoy the economic benefit of such securities. The following table sets forth certain information regarding beneficial ownership of the Company's Common Stock by its Executive Officers and by the only stockholders deemed to be beneficial owners of 5% or more of the Common Stock of the Company as of February 27, 2004.

ITEM NO. 1
ELECTION OF DIRECTORS

The Board of Directors voted to set the size of the Board at seven (7) members. Yale A. Blanc, currently serving as a Director, has elected, for personal reasons, to retire at the end of his current term and is not standing for reelection. One member of the Board, A. Graves Williams passed away in

Edgar Filing: ESCALADE INC - Form DEF 14A

February 2004. The nominees presented for election include four individuals who are current directors and three new independent candidates. Those persons whose names are set forth below are standing for election. The term of office of the Directors standing for election at the Annual Meeting will be until the next annual meeting of the stockholders and until their successors are elected and qualified.

Director candidates are nominated by the independent members of the Board of Directors, as the Company does not believe that it is necessary to have a separate Nominating Committee given the small size of the Board. The Board has determined that potential candidates to be nominated to serve as directors should have the following primary attributes: high achievement expectations with regard to increasing shareholder value; uncompromising position on maintaining ethics; conservative attitude towards financial accounting and disclosure; and should be a shareholder of the Company to bring the perspective of a shareholder to the Board. To date, the Board has not deemed it necessary to engage a third party search firm to assist in identifying suitable candidates for directors, but has the authority to do so in the future. No fees were paid to any such search firm in connection with the nominees for directors named in this proxy statement. The Board believes that the existing Board members and executive management of the Company have sufficient networks of business contacts that will likely form the candidate pool from which nominees will be identified. Once a candidate is identified, as many members of the Board as feasible will meet with such candidate and the Board as a whole subsequently will evaluate the candidates using the criteria outlined above. The independent Board members will then make the final determination of whether or not to nominate the candidate. Other than the incumbent directors standing for reelection, the nominees for directors named herein were identified by Robert E. Griffin and evaluated by all members of the Board prior to being nominated.

The Company does not have a formal process by which stockholders can propose nominees to serve as directors. If any stockholder would desire to submit the names and qualifications of potential candidates for directors, the Board would evaluate the possible nominee according to the above criteria and would consider such person in comparison to all other candidates and the number of directors then constituting the Board. The Company has not received any such proposals for this Annual Meeting. Accordingly, the Board has made no rejections or refusals of such candidates.

Information with respect to each of the nominees for the Board of Directors is set forth as follows:

While there is no reason to believe that any of the persons nominated will, prior to the date of the meeting, refuse or be unable to accept the nomination, should any person nominated so refuse or become unable to accept, it is the intention of the persons named in the proxy to vote for such other person or persons as the Directors recommend.

The Board does not have a formal policy regarding director attendance at the Annual Meeting. Typically, the Board holds its annual organizational meeting directly following the Annual Meeting, which results in most directors being able to attend the Annual Meeting. In 2003, all six directors elected at the Annual Meeting were in attendance at that meeting.

The Board has determined that all of the above named incumbent directors and nominees for directors have met the independence standards of Rule 4200(1)(15) of the National Association of Securities Dealers listing standards with the exceptions of Messrs. Griffin and Reed.

EXECUTIVE OFFICERS OF THE REGISTRANT

The following is a list of the names and ages of all of the executive officers of the Company indicating all positions and offices held by each such person as of the date of this Report. BOARD OF DIRECTORS, ITS COMMITTEES, MEETINGS, AND FUNCTIONS

The Board of Directors of the Company currently consists of two members who are executive officers (Robert E. Griffin and C.W. ("Bill") Reed) and three non-employee members (Yale A. Blanc, Blaine E. Matthews, Jr., and Keith P. Williams). There is currently one vacancy on the Board created by the February 2004 death of A. Graves Williams, Jr.

During 2003 the Board of Directors had five meetings. All Directors

Edgar Filing: ESCALADE INC - Form DEF 14A

attended 100% of the Board of Director with the exception of A. Graves Williams, who because of health reasons was unable to attend two of the meetings held outside the United States and died prior to the meeting held in February. All directors attended all Committee meetings on which they served. The Board of Directors intends to begin holding regular executive sessions of the independent directors following the Annual Meeting. The Board has not designated a lead or presiding director to chair those executive sessions, but may consider doing so in the future.

The Company has a standing Audit Committee of the Board of Directors. The Audit Committee is composed of Blaine E. Matthews, Jr. and Yale A. Blanc, with A. Graves Williams, Jr. also serving prior to his death. Each of these members meets the requirements for independence set forth in the Listing Standards of the National Association of Securities Dealers, Inc. The Board has also determined that Blaine E. Matthews, Jr. is an audit committee financial expert. The Audit Committee as a whole held four meetings in 2003 and the Committee Chair, as the Committee's authorized representative, met with the independent auditors and management on three separate occasions to review the interim financial information contained in each quarterly earnings announcement. The main functions performed by the Audit Committee are to (1) review with the independent auditors their observations on internal controls of the Company and the competency of financial accounting personnel, (2) review with the chief accounting officer and independent auditors, the accounting for specific items or transactions as well as alternative accounting treatments and their effects on earnings, (3) engage the firm of independent certified public accountants to be hired by the Company and review that firm's independence, and (4) approve all audit and non-audit services performed by the Company's independent auditors. The Board of Directors has adopted a written charter for the Audit Committee, which is attached as Annex 1 and which may be found on the Company's website at:

www.escaladeinc.com/OVERVIEW/Governance/Audit_Committee_Charter.pdf

6

The Board of Directors has a Compensation Committee comprised entirely of independent directors and consisting of Keith P. Williams and, formerly, A. Graves Williams, Jr. This committee met one time in 2003 to review salaries and compensation levels within the Company. The Board of Directors also has a Stock Option Committee consisting of Keith P. Williams and, formerly, A. Graves Williams, Jr. This committee met one time in 2003 to review the granting of options. As discussed above, the Board of Directors has no nominating committee.

The Board of Directors has adopted the Escalade, Incorporated Code of Business Conduct and Ethics which may be found on the Company's website at www.escaladeinc.com/OVERVIEW/Governance/Code%20of%20Conduct.htm. All employees of the Company, including its chief executive officer and senior financial officers, are subject to compliance with the Code.

Stockholders may communicate directly with the Board of Directors in writing by sending a letter to the Board at: Escalade, Incorporated, 251 Wedcor Avenue, Wabash, Indiana 46992. All communications directed to the Board will be received and processed by the Company's office of the Chief Financial Officer and will be transmitted to the Chairman of the Audit Committee without any editing or screening by such office.

- (1) Value is calculated by determining the difference between the per share exercise price and the per share fair market value of the common stock as of the exercise date, multiplied by the number of shares acquired upon the exercise of the options.
- (2) The value of unexercised options is calculated by determining the difference between \$29.67 per share, the last reported sale price of the common stock on the Nasdaq National Market on December 27, 2003, and the exercise price of the option as of such date, multiplied by the number of shares subject to the option.

COMPENSATION OF DIRECTORS

During 2003 all Directors of the Company except Mr. Griffin received a retainer of \$6,000 and a regular meeting fee of \$3,000 for each meeting attended. In addition, the Chairman of the Audit Committee received a \$2,000 Chairman fee and the Chairman of the Compensation Committee received a \$1,000 Chairman fee. Directors are reimbursed for their expenses incurred for attending the meetings.

8

Mr. Griffin received \$22,000 for performing his duties as Chairman of the Board and for serving on the Board of Directors and its committees. Mr. Griffin also receives a fee of \$3,000 for each meeting attended.

Some of the Directors elected to receive some of these fees in shares of the Company's common stock pursuant to the 1997 Director Stock Compensation and Option Plan which was approved by shareholders at the 1997 annual meeting. Those shares and options will not be issued until April 25, 2004. In 2003 there were 2,376 shares issued and 1,189 stock options issued pursuant to the plan. The number of shares to be issued will be calculated based on the aggregate director fees deferred by the director since the 2003 Annual Meeting divided by \$13.09, the closing share price on the first business day following the 2003 Annual Meeting. Each director who elected to receive shares will also be granted stock options in an amount equal to one half of the shares issued to the director at an exercise price of \$12.86 per share.

COMPENSATION AND STOCK OPTION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors determines executive compensation. The Stock Option Committee of the Board of Directors determines stock option grants. Both committees are comprised entirely of non-management Directors. Based on the Company's past compensation practices, the Company does not currently believe that Section 162 (m) of the Internal Revenue Code, which limits the deductibility of executive compensation in certain events, will adversely affect the Company's ability to obtain a tax deduction for compensation paid to its executive officers.

REPORT OF THE COMPENSATION COMMITTEE

The Company's compensation package for its executive officers consists

Edgar Filing: ESCALADE INC - Form DEF 14A

primarily of base salary, incentive profit sharing bonuses and stock option grants. Stock option grants are determined by the Stock Option Committee and are discussed under that Committee's separate report. The Compensation Committee determines base salaries and incentive profit sharing bonuses.

In general, base salary levels are set at the beginning of each year at levels believed by this Committee to be sufficient to attract and retain qualified executives when considered with the other components of the Company's compensation structure. The primary considerations in determining whether base salaries will be adjusted is the Company's income level generated in the previous year and any changes in level of responsibility. The Committee also subjectively reviews the individual performance of each executive officer. For 2003, the Committee believed that base salaries for executive officers and most other management employees should be increased. The increases ranged from about 3% to 7%. The Committee increased Mr. Reed's base salary for 2003 by 5.0%.

This Committee believes that a significant portion of total annual cash compensation should be subject to the Company's actual performance achieved in that year. Consequently, the incentive profit sharing bonuses of the Company's executive officers can be a significant percentage of their overall compensation. Each of the Company's subsidiaries has in place an incentive profit sharing plan where the amounts payable thereunder are based primarily upon the subsidiary's Earnings Before Interest, Taxes and Amortization ("EBITA") return on equity and EBITA return on assets. At the beginning of each year, the Committee reviews, approves and/or modifies target levels suggested by management for each of these components for each subsidiary.

If the subsidiary meets or exceeds its targets in one or more of the performance components, a bonus pool is created with respect to such component for payment to the subsidiary's employees. An additional 20.0% of any amounts payable under the subsidiary's incentive profit sharing plan is payable to the Company. The Company in turn distributes the incentive compensation received from each subsidiary to the Company's executive officers based on a

9

pre-determined percentage. Accordingly, each executive officer's incentive profit sharing is directly linked to the performance by each of the Company's operating subsidiaries. This Committee on an annual basis reviews the percentage and amount attributable to each individual executive officer. This Committee approved Mr. Reed's portion, under the plan, of \$600,869 for 2003.

In 2003, the Company's office and graphic arts subsidiary and the company's sporting goods subsidiary exceeded their target levels for each of the incentive profit sharing components and a bonus pool was created with respect to those operations. Therefore, the 2003 bonus amounts paid to Mr. Reed and the Company's other executive officers were generated from the Company's office and graphic arts subsidiary and the Company's sporting goods subsidiary. After incentive profit sharing and taxes the Company's consolidated net income of \$14,850,000 generated a return on assets (on average beginning and ending assets) of 12.9% and a return on beginning equity of 32.4%.

Keith P. Williams

REPORT OF STOCK OPTION COMMITTEE

The Company maintains a Stock Option Committee of the Board of Directors, whose primary purpose is to determine annual stock option grants to the Company's executive officers and other eligible employees. The Stock Option

Edgar Filing: ESCALADE INC - Form DEF 14A

Committee continues to believe that stock options are an effective incentive to encourage stock ownership by officers and key employees of the Company and its subsidiaries so that those persons acquire or increase their proprietary interest in the success of the Company.

Shareholders approved the 1997 Incentive Stock Option Plan at the 1997 annual meeting. Pursuant to that plan the committee felt it was appropriate to grant stock options to certain executive officers of the Company in 2003. The committee granted Mr. Reed 15,000 options.

Keith P. Williams

COMPENSATION COMMITTEE AND STOCK OPTION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

In 2003, Messrs. Graves Williams and Keith Williams were non-employee Directors of the Company and comprised the Company's Compensation and Stock Option Committees. No other Director or executive officer of the Company serves on any board of directors or compensation committee of any entity that compensates any of Messrs. Graves Williams or Keith Williams.

REPORT OF THE AUDIT COMMITTEE

In accordance with its written charter attached as Annex 1 as adopted by the Board of Directors ("Board"), the Audit Committee of the Board ("Committee") assists the Board in fulfilling its responsibility for oversight of the quality and integrity of the accounting, auditing and financial reporting practices of Escalade. All of the Committee members are independent directors as defined under Nasdaq rules. During fiscal year 2003, the Committee met four times, and discussed the interim financial information contained in each quarterly earnings announcement with the Chief Financial Officer and independent auditors prior to public release.

In discharging its oversight responsibility as to the audit process, the Committee obtained from the independent auditors a formal written statement describing all relationships between the auditors and the Company that might bear on the auditors' independence consistent with Independence Standards Board Standard No. 1, "Independence discussions with Audit Committees," discussed with the auditors any relationships that may impact their objectivity and

10

independence and satisfied itself as to the auditors' independence. The Audit Committee also discussed and considered whether the provision of non-audit services by the Company's auditors is consistent with the auditors' independence. The Audit Committee has determined that the provisions of such services are consistent with the auditors' independence. The Committee also discussed with management, and the independent auditors the quality and adequacy of Escalade's internal controls. The Committee reviewed with the independent auditors their audit plan, audit scope and identification of audit risks.

The Committee discussed and reviewed with the independent auditors all communications required by auditing standards generally accepted in the United States of America, including those described in Statement on Auditing Standards No. 61, as amended, "Communication with Audit Committees," and, with and without management present, discussed and reviewed the results of the independent auditors' examination of the financial statements.

The Committee reviewed the audited financial statements of Escalade as

Edgar Filing: ESCALADE INC - Form DEF 14A

of and for the year ended December 27, 2003, with management and the independent auditors. Management has the responsibility for the preparation of financial statements and the independent auditors have the responsibility for the examination of those statements.

Based on the above-mentioned review and discussions with management and the independent auditors, the Committee recommended to the Board that Escalade's audited financial statements be included in its Annual Report on Form 10-K for the year ended December 27, 2003, for filing with the Securities and Exchange Commission. The Committee also appointed, subject to shareholder approval, BKD LLP as the Company's independent auditors.

OTHER SECURITIES FILINGS

The information contained in this Proxy Statement under the sub-headings "Compensation and Stock Option Committee Report on Executive Compensation", "Report of the Audit Committee" and "Financial Performance" are not, and should not be deemed to be, incorporated by reference into any prior filings by the Company under the

12

Securities Act of 1933 or the Securities Exchange Act of 1934 that purport to incorporate future filings or portions thereof by reference (including this proxy statement).

ITEM NO. 2 APPROVAL OF AUDITORS

The Audit Committee proposes and recommends that the Stockholders approve the selection of the firm of BKD LLP to serve as independent auditors for the Company for fiscal year 2004. BKD LLP, formerly known as Olive LLP, has served as independent auditors for the Company since 1977. Audit services performed by BKD LLP during the fiscal year most recently completed include examinations of the financial statements of the Company and its subsidiaries,

Edgar Filing: ESCALADE INC - Form DEF 14A

services related to filings with the Securities and Exchange Commission, and consultations on matters related to accounting, financial reporting and filing of Federal and State Income Tax Returns. Representatives of BKD LLP are expected to be present at the Annual Meeting. They will have the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions.

In the event the shareholders do not approve the appointment of BKD LLP, as independent auditors for 2004, the adverse vote will be considered as a direction to the Board of Directors to select other auditors for the following year. However, because of the difficulty and expense of making any substitution of auditors so long after the beginning of the current year, it is contemplated that the appointment for the year 2004 will be permitted to stand unless the Board finds other good reason for making a change. The Board of Directors recommends a vote "FOR" the approval of the appointment of BKD LLP.

ITEM NO. 3 PROPOSAL TO AMEND ARTICLES OF INCORPORATION TO INCREASE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK

The Board of Directors recommends the amendment of Article Fourth (A) of the Company's Amended Articles of Incorporation in the manner shown in Annex 2 hereto. The proposed Amendment to Article Fourth (A) would change the number of authorized shares of the Company's common stock from ten million (10,000,000) shares to thirty million (30,000,000) shares. This change would be effective upon the date of filing of the Amendment to the Amended Articles with the Secretary of State of the State of Indiana.

The Board of Directors believes that it is in the best interest of the Company and its stockholders that the Company have a sufficient number of authorized but unissued shares of its common stock available for general corporate needs such as future stock dividends or stock splits, for possible use in future acquisitions and expansion opportunities that may arise, and for other proper purposes within the limitations of the law. The Company has no current plans to use its authorized but unissued shares of common stock without par value for any particular purpose. Such shares would be available for issuance without further action by the stockholders, except as otherwise limited by applicable law.

If additional shares of common stock are issued by the Company, it may potentially have an anti-takeover effect by making it more difficult to obtain stockholder approval of various actions, such as a merger or removal of management. Additionally, the issuance of additional shares of common stock may, among other things, have a dilutive effect on earnings per share and on the equity and voting power of existing stockholders. The terms of any common stock issuance which will be determined by the Company's Board of Directors, will depend upon the reason for issuance and will be dependent largely on market conditions and other factors existing at the time. The increase in authorized shares of common stock has not been proposed in connection with any anti-takeover related purpose and the Board of Directors and management have no knowledge of any current efforts by anyone to obtain control of the Company or to effect large accumulations of the Company's common stock.

The resolutions attached to this proxy statement as Annex 2 will be submitted for adoption at the Annual Meeting. The Board of Directors recommends a vote "FOR" the approval of the Amendment to the Company's Amended Articles of Incorporation.

Edgar Filing: ESCALADE INC - Form DEF 14A

RESULTS OF THE 2003 ANNUAL MEETING

6,004,481 shares or 92.2 % of the outstanding shares of the Company were voted in person or by proxy at the 2003 annual meeting that was held April 26, 2003. The proposals to elect to the Board six Directors, and to approve the appointment of BKD LLP to serve as independent auditors for the Company for the year 2003 were approved by the shareholders.

SHAREHOLDER PROPOSALS FOR THE 2005 ANNUAL MEETING

Shareholder proposals for shareholder action at the 2005 annual meeting must be presented in writing at the offices of the Company on or before November 12, 2004. Any shareholder who intends to propose any other matter to be acted upon at the 2005 annual meeting of shareholders must inform the Company no later than February 25, 2005. If notice is not provided by that date, the persons named in the Company's proxy for the 2005 annual meeting will be allowed to exercise their discretionary authority to vote upon any such proposal without the matter having been discussed in the proxy statement for the 2005 annual meeting. Only such proposals as are (1) required by Securities and Exchange Commission Rules, and are (2) permissible shareholder motions under the Corporation law of the State of Indiana will be included on the 2005 meeting docket.

OTHER BUSINESS

Management does not know of any other business to be presented to the meeting and does not intend to bring any other matters before the meeting. No shareholder has informed the Company of any intention to propose any other matter to be acted upon at the meeting. Accordingly, the persons named in the accompanying Proxy are allowed to exercise their discretionary authority to vote upon any such proposal without the matter having been discussed in this proxy statement. If any matters properly come before the meeting, it is intended that the persons named in the accompanying Proxy will vote thereon according to their best judgment and interest of the Company.
